

A small wooden boat with a blue tarp is on a calm lake at sunset. The sky is filled with soft, colorful clouds in shades of purple, pink, and orange. The water reflects the colors of the sky. A quote is overlaid on the image in white text on a dark background.

Things men have made with wakened hands, and
put soft life into are awake through years with
transferred touch, and go on glowing for long years.
And for this reason, some old things are lovely warm
still with the life of forgotten men who made them.
