Henry Ward Beecher,1872 **The Lutheran Witness** ,1882 **The Priesthood of All Believers in the Twenty-First Century** Robert A. Muthiah,2009-05-01 Robert Muthiah believes a deepened theology of the priesthood of all believers is essential for answering the crucial questions of what shape the church should take in the twenty first century and how this theological query relates to the lived experiences of congregations Emerging churches which tend to develop vibrant practices of the priesthood of all believers need to develop more fully their ecclesiological underpinnings while historic churches with a well developed theology of the priesthood of all believers need a renewed vigor to allow this theology to shape their congregational lives With recourse to relevant New Testament texts and theological conversations The Priesthood of All Believers in the Twenty First Century argues for a fresh understanding and embodiment of the priesthood of all believers by setting ecclesiology postmodern culture and congregational practices in dialogue Elements of the discussion include ecumenical and Free church perspectives Trinitarian correspondence postmodern social structures the relevance of Alasdair McIntyre s social practices for congregations and forms of congregational leadership Church Missionary Intelligencer and Record ,1875 *Lectures on preaching. 2. Author's ed* Henry Ward Beecher,1872 **Witness of a Fragile Servant** Charles B. Bugg,2003 Many pastors come to ministry with the potentially lethal combination of low self esteem and high expectations of themselves and others While the minister is set aside to preach he or she is not immune to the same struggles that everyone faces How they deal with themselves as persons is reflected in their proclamations as pastor and preacher Witness of a Fragile Servant looks at both the preparation of the preacher and the sermon It tries to call ministers to care for themselves as well as to cultivate effective sermons **Prophetic Preaching** Leonora Tubbs Tisdale,2010-08-09 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale s work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake *The Reformed Presbyterian and Covenanter* ,1892 **Rain upon the mown grass, and other sermons, 1842-1870** Samuel Martin,1871
