The Power of Infinite Joy Singa Krishnamoorti M.D. M.S.,2015-07-07 The purpose of this book is to emphasize that human beings are not of dust alone but they are a mixture of matter and spirit The matter is enlivened by the Spirit The enlivened matter principle known as the mind or the ego is mistaken for the spirit This misunderstanding leads to confusion as to who we really are By this mistake the problems of the ego are attributed to the spirit The spirit is a nonmatter changeless principle whereas the matter is subject to constant change This is very evident in the expression I am a human being Here the I am is the changeless principle and the human being who plays many roles is the changing principle A clear understanding of the above two principles and how they can bring immense relief to the suffering mind are elaborately discussed in this book
