Wives Mistresses And Matriarchs:

Wives, Mistresses and Matriarchs Louise Williams, 2001 *Wives, Mistresses and Matriarchs* Louise Williams, 1998-09-01 This is the untold story of the women of Asia It is not a tale of the submissive oriental beauties of western fiction but the true stories of prime ministers factory labourers business magnates mistresses and prostitutes It is a true story of extraordinary power and humiliating poverty in a region which is facing the most profound social changes the world has ever seen It is a book about the private and public power of the women of the elite and the pragmatism of the women of the slums How can a region produce the first female prime minister in the world and yet tolerate the child prostitution of Bangkok and Manila How can women in countries where their role is perceived by westerners as second class citizens rise to the top of industrial conglomerates Right across Asia women occupy positions of extraordinary power and excruciating powerlessness Louise Williams has met and talked with the famous and the faceless from Benazir Bhutto Corazon Aquino and Aung San Suu Kyi to the one time Viet Cong commando the lover in the Hong Kong mistress village and the Jakarta factory girl A publisher in Seoul and a judge in Jakarta these and many other women from the countries of Asia have enabled Louise Williams to provide a fascinating and unique view of changing patterns in a fast changing society

Wives, Mistresses and Matriarchs Louise Williams, 1998-09-01 These are the untold true stories of the women of Asia the stories of Prime Ministers factory labourers business magnates mistresses and prostitutes in a region which is facing the most profound social change the world has ever seen *The Domestic Revolution* Eve Tavor Bannet, 2000-11-10 Alongside the three revolutions we usually identify with the long eighteenth century the French Revolution the American Revolution and the Glorious Revolution of 1688 Enlightenment ideology gave rise to a quieter but no less significant revolution which was largely the fruit of women s imagination and the result of women s work In *The Domestic Revolution* Eve Tavor Bannet explores how eighteenth century women writers of novels conduct books and tracts addressed key social political and economic issues revising public thinking about the family and refashioning women s sexual and domestic conduct Bannet examines the works of women writers who fell into two distinct camps Matriarchs such as Eliza Haywood Maria Edgeworth and Hannah More argued that women had a superiority of sense and virtue over men and needed to take control of the family Egalitarians such as Fanny Burney Mary Hays and Mary Wollstonecraft sought to level hierarchies both in the family and in the state believing that a family should be based on consensual relations between spouses and between parents and children Bannet shows how Matriarch and Egalitarian writers in their different ways sought to raise women from their inferior standing relative to men in the household in cultural representations and in prescriptive social norms Both groups promoted an idealized division of labor between women and men later to be dubbed the doctrine of separate spheres *The Domestic Revolution* focuses on women s debates with each other and with male ideologues alternating between discursive and fictional arguments to show how women translated their feminist positions into fictional exemplars Bannet demonstrates

which issues joined and separated different camps of eighteenth century women tracing the origins of debates that continue to shape contemporary feminist thought **Dybbuks and Jewish Women in Social History, Mysticism and Folklore** Rachel Elior,2014-08-01 How and why a person comes to be possessed by a dybbuk the possession of a living body by the soul of a deceased person and what consequences ensue from such possession form the subject of this book Though possession by a dybbuk has traditionally been understood as punishment for a terrible sin it can also be seen as a mechanism used by desperate individuals often women who had no other means of escape from the demands and expectations of an all encompassing patriarchal social order Dybbuks and Jewish Women examines these and other aspects of dybbuk possession from historical and phenomenological perspectives with particular attention to the gender significance of the subject

Feminist Bookstore News ,1999 **Big City, Big Dreams** Constance Dahm Clark,1999 **New Books on Women and Feminism** ,2002 *Fragmented Women* J. Cheryl Exum,1997-01-01 In the biblical narratives women are usually minor characters in the stories of men Fragments of women s stories must be gleaned from the more cohesive stories of their fathers husbands and sons *Fragmented Women* begins with the premise that to recover shards of women s stories from androcentric texts like the Bible it is necessary to step outside the ideology of the text subverting the patriarchal perspective that has focused attention on the male characters In this important new work the author draws on contemporary feminist literary theory to critique the dominant male voice of the biblical narrative and to construct sub versions of women s stories from the submerged strains of their voices in men s stories *The Indochina Chronicles* Phil Karber,2005 From old Viet Cong guerrillas to the new tycoons of Saigon from hookers and highwaymen to bartenders and ambassadors Phil Karber has met them all and had a drink with most Nobody knows the red states of Indochina better than Phil Karber This book is sweeping provocative and poignant Mark McDonald Foreign correspondent Knight Rider **Choice** ,1998 *Kaapse bibliotekaris* ,2000 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Lingua Franca** ,1999
