## Wizard Spawn:

**Wizard Spawn** C. J. Cherryh, Nancy Asire, 1989 It has been 500 years since the fall of the Sabirn Empire and the Sabirn people languish beneath the iron rule of the Ancar But rumors fly that some Sabirn retain ancient occult knowledge readying themselves to strike back at their hated masters *Wizard of the Grove* Tanya Huff, 2021-09-17 Together in one volume the WIZARD OF THE GROVE duology contains Tanya Huff's first two novels CHILD OF THE GROVE and THE LAST WIZARD CHILD OF THE GROVE In a far ago age wizards ruled the world with a power so dark even the Elder races feared them But when their power caused them to unleash dragons from the depths of the earth itself they were undone by their own hand thus freeing the world Or so it was thought For now after many years of hard won peace the human kingdom of Ardhan is under threat from the dread king of Melac Yet the real danger is the king's counselor Kraydak a wizard who survived the slaughter of his kind and has waited until now to rise to power once again But the world will not be as easy to vanquish this time For the royal family of Ardhan is no longer merely made of men They have blended their destiny with the immortals who dwell in the Sacred Grove a place untouched by darkness or death And it will fall to the youngest of that enchanted bloodline to stand against the coming Her name is Crystal And she is the one thing in the world Kraydak fears A wizard THE LAST WIZARD Crystal was born of a bloodline both mortal and magical raised to one day become a wizard and to defeat a long hidden evil that threatened the realm of Ardhan Through many dangerous adventures and lethal deceptions she was finally victorious And peace was at hand Yet it was not so for Crystal As the last living wizard she soon found herself living a life without meaning For while the people of Ardhan prospered in the world she had delivered Crystal with her still growing powers could find little solace She was alone Then by chance she saved a mortal life with her gift re igniting her bonds with humanity and inspiring her to undertake a new quest to find a long hidden treasure unlike any other A hidden cache of magical forces that only she can control or destroy But the prize she seeks just might do the same to her **Broken Wizards** Jeffrey Bardwell, 2017-03-16 The people are tinder waiting to spark His homeland smolders on the edge of chaos Can he ignite a revolution The Iron Empire is soft rotten and ripe for change The guilds are repressive The price of dragon products is soaring The mage menace spreads unchecked Resentment builds One day a young hero clanks into the capital with a metal foot swearing he'll kick the imperial palace to rubble Devin more artifice than mage with his mechanical limb returns to the empire his nemesis Captain Vice in hot pursuit The firebrand mage stirs the passions of imperial citizens under the guise of dragon conservation We are all like slabs of dragon flesh once powerful and mighty but the empire bleeds us until nothing remains but bones and ruptured organs The message resonates A rebellion is born in secrecy and treachery Beneath their cloaks of lies and shifting alliances mages gentry and commoners alike reach for the mantle of the butchered dragon while Captain Vice's steel fist slowly closes around them Rise up and smash the state in Book Three of The Artifice Mage Saga Join the fantasy steampunk brawl of metal vs magic where sorcery is bloody science is greasy and nobody's hands
