the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983 **The Cambridge History of English Literature** Sir Adolphus William Ward,Alfred Rayney Waller,1916 **The Cambridge History of English Literature: The nineteenth century.
