**Pregnant Bodies, Fertile Minds** Wendy Luttrell, 2014-05-22 Focusing on fifty girls enrolled in a model public school program for pregnant teens Luttrell explores how pregnant girls experience society's view of them and also considers how these girls view themselves and the choices they've made Also includes an 8 page color insert **New Directions in Social Theory, Education and Embodiment** John Evans, Brian Davies, 2014-10-29 This book exemplifies the nurturing spirit of inter discursive debate with a view to opening up new theoretical and empirical insights understanding and engagement with debates on issues relating to pedagogy policy equity and embodiment From a variety of social science perspectives an international force of contributors apply a multitude of concepts to research agendas which illustrate the multiple ways in which the body both impacts culture and is simultaneously and seamlessly positioned and shaped by it maintaining social reproduction of class and cultural hierarchies and social regulation and control They attest that once we begin to trace the flow of knowledge and discourses across continents countries regions and communities by registering their re contextualisation both within various popular pedagogies e.g newspapers film TV web pages IT and the formal and informal practices of schools families and peers we are compelled to appreciate the bewildering complexity of subjectivity and the ways in which it is embodied Indeed the chapters suggest that no matter how hegemonic or ubiquitous discursive practices may be they inevitably tend to generate both intended and unexpected affects and effects people and populations cannot easily be determined suppressed or controlled This book was originally published as a special issue of *Sport Education and Society* **Dangerous Games** Sally Spencer, 2013-12-01 Five little Englishmen feeling quite secure one went and lost his head and then there were four When Terry Pugh's headless body is found floating in the canal DCI Woodend at first believes that Pugh had merely miscalculated the amount of rope he needed to hang himself But why would Pugh commit suicide when he had a loving wife who was expecting their first baby and was just about to start an exciting new job Other disturbing questions soon follow in the first body's wake Who was the mysterious stranger Pugh was seen with just before he died What is the connection between him and the down and out who suffers a similar fate to his only twenty four hours later And how many more men are intended to die As the investigation proceeds Woodend and his team come to realize that the key to solving the crimes is hidden in the past and on an island far far away **Cramer's Opera-Comique Cabinet, edited by H.
