*Deserving Desire* Beth Montemurro, 2014-09-01 Women experience considerable changes in their bodies lives and identity between the ages of twenty and seventy including marriage motherhood the dissolution of relationships and menopause all of which often impact sexuality In *Deserving Desire* Beth Montemurro takes a wide ranging look at the evolution of women s sexuality over time with a specific focus on the development of sexual subjectivity that is sexual confidence agency and a sense of entitlement to sexual desire Detailed stories of the ninety five women in this study explore how they become more comfortable with their bodies when most begin to enjoy sex feel confident and positive about engaging in it and how they become sexual subjects in control of their bodies *Deserving Desire* explores the complex multi stage process in which sexual subjectivity evolves over a woman s lifetime As girls they learn about sex and how those around them parents peers religion and media regard sex Physical and emotional transitions such as having a baby or ending a relationship further affect women s sexual confidence and desire Montemurro emphasizes that sexual subjectivity is about feeling in control of sexual decision making and acting purposefully and confidently Though adolescent sexuality has been a major focus of sociological research few studies have examined as Montemurro does here the development of sexuality through women s lives and the events that change the way women feel about themselves their bodies and their relationships

**From One Missionary to Another** Ryan Cragun, 2004-01-01 The book is intended to be a guide for Mormon missionaries who are planning on serving missions or are already on their missions *A Do-It-Yourself Retreat*: Joseph F. Hogan, 2018-12-05 The do it yourself appeal which is somewhat popular today is not just a fad It meets the basic need in man to be creative This DO IT YOURSELF RETREAT makes the same appeal to your highest creative instincts However in this case you are shown not how to make some thing but HOW TO BRING OUT THE REAL GOOD IN YOU and make yourself into the truly great person that God intended you to be These pages will help you to discover who you really are and the discovery will prove to be encouraging and consoling Although you are doing it yourself this retreat follows a time tested and approved method It is progressive Step by step it helps you to bring out the potential for all the goodness and greatness which is present in you You are also following a mystery story these are God s mysteries so you do not peek at the chapters ahead One step at a time is best and God be with you on the way This book is for Those who have never made a retreat and those to whom the word may sound strange or even forbidding I think you will like it and though you start it as an experiment you may find it so interesting and worthwhile that you will want the fuller and richer experience at a retreat house Those who would like to make a closed retreat but cannot especially God s beloved sick and suffering and those in the evening of life Those who have made a retreat and who would like to retain the clarity of vision and the peace of soul it gave them Husbands and wives who would like to make a retreat at home either together or individually It can help to oneness in outlook Finally but finally only for emphasis this book is for students who are making an open retreat and want a companion book collateral

reading to keep them in the spirit of the retreat      **Gender and the Race for Space** Erinn McComb,2025-06-10 The American astronaut image was informed by early Cold War ideals of masculinity that helped mold a distinctly American anti communist masculinity which appeared on the surface anyway to resolve not only an American crisis of masculinity but helped win the Cold War on an ideological and popular level This American image focused on strict gender binaries of man as the protector controlling technology and containing communism while woman was the passive actor with spaceflight technology left behind in the home waiting for the return of the astronaut husband Allowing women to fly into space would have represented a lack of individual control with spaceflight technology      **Rethinking Class and Social Difference** Barry Eidlin,Michael A. McCarthy,2020-09-30 This volume draws together scholars rethinking social scientific and theoretical approaches to a wide range of forms of social difference and inequality These include race nationalism sexuality professional classes domestic employment digital communication and uneven economic development      **International Clinics** ,1925 *To-day* Holbrook Jackson,1920      **Harper's New Monthly Magazine** ,1891      *Harper's New Monthly Magazine* Henry Mills Alden,1891 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs      **American Journal of Eugenics** ,1908      **Physical Culture** Bernarr Macfadden,1905      **Bulletin** Pennsylvania.
