Yankee Saint:

A Yankee Saint Robert Allerton Parker, 1972 **Land of the Oneidas** Daniel Koch, 2023-04-01 The central part of New York State the homeland of the Oneida Haudenosaunee people helped shape American history This book tells the story of the land and the people who made their homes there from its earliest habitation to the present day It examines this region's impact on the making of America from its strategic importance in the Revolution and Early Republic to its symbolic significance now to a nation grappling with challenges rooted deep in its history The book shows that in central New York perhaps more than in any other region in the United States the past has never remained neatly in the past Land of the Oneidas is the first book in eighty years that tells the history of this region as it changed from century to century and into our own time **Communal Utopias and the American Experience Religious Communities, 1732-2000** Robert P. Sutton, 2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America's first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724-1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day's Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana **A Yankee Saint. John Humphrey Noyes and the Oneida Community. [With Plates, Including Portraits.]** Robert Allerton PARKER, 1935 **An Assassin in Utopia** Susan Wels, 2023-02-07 This true crime odyssey explores a forgotten astonishing chapter of American history leading the reader from a free love community in upstate New York to the shocking assassination of President James Garfield It was heaven on earth and some whispered the devil's garden Thousands came by trains and carriages to see this new Eden carved from hundreds of acres of wild woodland They marveled at orchards bursting with fruit thick herds of Ayrshire cattle and Cotswold sheep and whizzing mills They gaped at the people who lived in this place especially the women with their queer cropped hair and shamelessly short skirts The men and women of this strange outpost worked and slept together without sin they claimed From 1848 to 1881 a small utopian colony in upstate New York the Oneida Community was known for its shocking sexual practices from open marriage and free love to the sexual training of young boys by older women And in 1881

a one time member of the Oneida Community Charles Julius Guiteau assassinated President James Garfield in a brutal crime that shook America to its core An Assassin in Utopia is the first book that weaves together these explosive stories in a tale of utopian experiments political machinations and murder This deeply researched narrative by bestselling author Susan Wels tells the true interlocking stories of the Oneida Community and its radical founder John Humphrey Noyes his idol the eccentric newspaper publisher Horace Greeley founder of the New Yorker and the New York Tribune and the gloomy indecisive President James Garfield who was assassinated after his first six months in office Juxtaposed to their stories is the odd tale of Garfield s assassin the demented Charles Julius Guiteau who was connected to all of them in extraordinary surprising ways Against a vivid backdrop of ambition hucksterism epidemics and spectacle the book s interwoven stories fuse together in the climactic murder of President Garfield in 1881 at the same time as the Oneida Community collapsed Colorful and compelling An Assassin in Utopia is a page turning odyssey through America s nineteenth century cultural and political landscape
