It's about understanding that the first and most important step to financial freedom is changing the way you think. It's about embracing a mindset that says, "I am capable of achieving great wealth, and I am worthy of it." It costs more to be poor than rich; will challenge you, inspire you, and equip you with the tools you need to start thinking and living like a wealthy person. The journey won't always be easy, but as you apply the lessons in this book, you'll begin to see a profound shift, not just in your bank account, but in your confidence, your opportunities, and your overall quality of life.
