W. Demarest,1991-05 **Prophetism from Scripture to Practice** Daniel Nii Aboagye Aryeh,2025-12-12 This book
critically examines the relationship between prophetic practices in the Bible and contemporary prophetism in African
Christianity Pentecostalism continues to evolve across Africa with its beliefs and practices mimicking the older and well
established Christian denominations along with the emergence of newer versions of prophetism or neo prophetism The
contributions analyse the theological underpinnings of Pentecostal prophetism and evaluate prophets claims that their
practices align with biblical precedents With careful exegesis of relevant biblical passages the book considers the degree to
which modern prophetic practices comply with biblical stipulations It provides insights in particular from Ghana Nigeria and
Haiti and will be of interest to scholars of African Christianity theology and biblical studies A Thematic Access-Oriented
Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily
resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the
resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes
finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is
relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires
additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways
First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four
subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and
con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of
the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc
agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety
of perspectives allowing you to browse or find the one source accurately and with ease **Christianity Today** ,1988
Highway to Holiness Catherine (Cathee) Miles,2025-07-22 Holiness sometimes seems like an abstract ideal that is
unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that

appear unholy The beautiful aspect of God's call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathie helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and instructional for holy living

"Go Into All the World" A Study of the Great Commission Texts Dr. Daniel L. Butler, 2009-09-01 The Great Commission stands as the single most important aspect of New Testament mandates and without its realization Christianity would have died believers would have failed to pass Christian truths to others Obviously Jesus mandate to make disciples continues to impact the world and through this manuscript author Dr Daniel Butler has thoroughly examined the Great Commission texts Furthermore by considering the only history book of the church in the New Testament Acts the study examines the church's understanding implementation and fulfillment of Jesus commissioning words Although the Great Commission may appear flawed with discrepancy at first blush the student of this material will walk with the author through each of Jesus commissioned texts in detail compare their similarities contrast any differences and emerge with a consolidated grasp of Jesus mandate to make disciples By reconciling every potential discrepancy distilling the commission elements into a summary and examining the disciples response in the book of Acts the student of this study will experience enlightenment and understanding through grasping Jesus most important words and observing the early church's fulfillment
