The Young Hemingway:

The Young Hemingway Michael Reynolds, 1998-06-17 A National Book Award Finalist *The Young Hemingway* will entertain and surprise It should rank as one of the best nonfiction books of the year Los Angeles Times Michael Reynolds recreates the milieu that forged one of America's greatest and most influential writers He reveals the fraught foundations of Hemingway's persona his father's self-destructive battle with depression and his mother's fierce independence and spiritualism He brings Hemingway through World War I where he was frustrated by being too far away from the action and glory despite his being wounded and nursed to health by Agnes Von Kurowsky the older woman with whom he fell terribly in love

Ernest Hemingway Philip Young, 2010-11-01 **The Young Hemingway** Michael S. Reynolds, 1987 Describes the youth of Ernest Hemingway and examines the influence of his parents on his life and writing **The Young Hemingway** Michael S. sport and sportsmanship In Banal Story Hemingway offers a lasting tribute to the famed matador Maera In Another Country tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife The Killers is the hard edged story about two Chicago gunmen and their potential victim Nick Adams makes an appearance in Ten Indians in which he is presumably betrayed by his Indian girlfriend Prudence And Hills Like White Elephants is a young couple s subtle heart wrenching discussion of abortion Pared down gritty and subtly expressive these stories show the young Hemingway emerging as America s finest short story writer **Hemingway** Michael S. Reynolds,2000 The concluding volume of Reynolds biograpy covers the last 20 years in Hemingway s life Hemingway's Neglected Short Fiction Susan F. Beegel,1992 Some 25 Hemingway scholars critique Hemingway s works from the early apprentice fiction of 1919 stories Hemingway wrote dog Hemingway at Eighteen Steve Paul,2017-10-01 George Ehrlich Award Recipient In the summer of 1917 Ernest Hemingway was an eighteen year old high school graduate unsure of his future The American entry into the Great War stirred thoughts of joining the army While many of his friends in Oak Park Illinois were heading to college Hemingway couldn t make up his mind and eventually chose to begin a career in writing and journalism at the Kansas City Star one of the great newspapers of its day In six and a half months at the Star Hemingway experienced a compressed streetwise alternative to a college education that opened his eyes to urban violence the power of literature the hard work of writing and a constantly swirling stage of human comedy and drama The Kansas City experience led Hemingway into the Red Cross ambulance service in Italy where two weeks before his nineteenth birthday he was dangerously wounded at the front Award winning writer Steve Paul takes a measure of this pivotal year when Hemingway s self invention and transformation began from a modest rather shy and diffident boy to a confident writer who aimed to find and record the truth throughout his life Hemingway at Eighteen provides a fresh perspective on Hemingway s writing sheds new light on this young man bound for greatness and introduces anew a legendary American writer at the very beginning of his journey **Hemingway's Italy** Rena Sanderson,2006-03-01 In 1918 a one month stint with the American Red Cross ambulance corps at the Italian front marked the beginning of Ernest Hemingway s fascination with Italy a place second only to Upper Michigan in stimulating his lifelong passion for geography and local expertise Hemingway s Italy offers a thorough reassessment of Italy s importance in the author s life and work during World War I and the 1920s when he emerged as a promising young writer and during his maturity in the late 1940s and early 1950s This collection of eighteen essays presents a broad view of Hemingway s personal and literary response to Italy The contributors some of the most distinguished Hemingway scholars incorporate new biographical and historical information as well as critical approaches ranging from formalist and structuralist theory to cultural and interdisciplinary explorations Included are discussions of Italy s psychological functioning in Hemingway s life the author s correspondence with his father during the writing of A Farewell to Arms his stylistic experimentation and characterization in that novel his juxtaposition of the themes of love and war and his take on Fascism in both his fiction and

journalistic work In addition the essayists explore relevant contexts of period and place such as the rise of Fascism ethnic attitudes and the cultural currents between Italy and the United States A landmark study Hemingway s Italy brings long overdue attention to this great writer s international role as cultural ambassador Contributors Rena Sanderson Nancy R Comley Kim Moreland Steven Florczyk Kirk Curnutt Lawrence H Martin John Robert Bittner Jeffrey A Schwarz J Gerald Kennedy H R Stoneback Beverly Taylor Ellen Andrews Knodt Linda Wagner Martin Robert E Fleming Miriam B Mandel Joseph M Flora Margaret O Shaughnessey Stephen L Tanner Vita Fortunati **Ernest Hemingway** Catherine Reef,2009 An introduction to the life and work of one of the most significant and notorious American writers of the 20th century Ernest Hemingway s literary status alone makes him worthy of a biography In addition his life reads like a suspense story it s full of action romance heartbreak machismo mishaps celebrity and tragedy He had first hand experience of several historic events of the last century and he rubbed elbows with many other notable writers and intellectual greats of our time Though his reputation has weathered ups and downs his status as an American icon remains untouchable Here in the only biography available to young people Catherine Reef introduces readers to Hemingway s work with a focus on his themes and writing styles and his place in the history of American fiction and examines writers who influenced him and those he later influenced

Hemingway's Cats Carlene Fredericka Brennen,2005 Illustrated with more than 200 photographs this unique biography explores the life of Ernest Hemingway the women he loved and his affinity for the companion animals both cats and dogs he kept throughout his lifetime Hemingway's Faith Mary Claire Kendall,2024-12-17 Little is known about Ernest Hemingway s religious faith Drawing on archival research and interviews with Hemingway s family biographer Mary Claire Kendall paints a portrait that reveals the real Hemingway and the deep motivations inspirations and connections to the Catholic tradition that left an indelible imprint on his life and writing *Hemingway's Quarrel with Androgyny* Mark Spilka,1990-01-01 Hemingway s Quarrel with Androgyny confronts the entrenched mystique surrounding the hard drinker bullfighter and creator of characters steeled by their own code Spilka stresses Hemingway s lifelong dependence on and secret identification with women and in doing so shatters the myths of male bonding and heroic lives of men without women He develops the biographical literary and cultural implications of Hemingway s lifelong quarrel with androgyny to reveal a more psychologically complex man and writer than the mystique has allowed
