SUMICHRAST,2018 *The Works of Theophile Gautier* Théophile Gautier,1928 **The Works of Theophile Gautier - Volume V** Theophile Gautier,2015-04-12 The Works of Theophile Gautier Volume V from Theophile Gautier French poet dramatist novelist journalist and art and literary critic 1811 1872 Theophile Gautier Emile Bergerat,1877 **Théophile Gautier, Orator to the Artists** James Kearns,2007 For artists critics and readers alike Gautier was the essential figure in French art journalism in the mid nineteenth century During the short lived but pivotal period of the Second Republic when the new administration was committed to reforming all the institutions of the fine arts Gautier deployed the full resources of his brilliant flexible and authoritative writing to support and direct these developments in ways compatible with his commitment to an idealist aesthetic This first study of all Gautier s art journalism written during the Second Republic provides a long overdue reassessment of Gautier s importance in French nineteenth century visual culture *The Complete Works of Théophile Gautier* Théophile Gautier,1910 **Theophile Gautier (Classic Reprint)** Maxime Du Camp,2017-10-12 Excerpt from Theophile Gautier Large proportion of them who like T heophzle are polygraphes Our ancestors mo e brie y termed them hacks and sznce Dr Johnson or at least since Southey there has been no hack so distinguished as The ophile His Pegasus was early broken into harness and his biographer M Maxime du Camp like himself is constantly regretting this bondage Perhaps too many laments are uttered over this misfortune like other men T he ophile Gautier did what he could and what it was in him to do He was a poet indeed and we are asked to believe that had the State aided him with an adequate pension his place as a poet would have been higher his poetic work greater in bulk and nobler in quality But this may well be doubted The man of letters in Gautier was stronger than the poet had it notbeen so probably he would have given himself more freely and with a stricter loyalty to the Muse A writer in whom the poet is supreme a writer like Wordsworth or Tennyson will take poverty for his bride disdaining the seductions of labour which is easier and better paid To both of these Englishmen fortune proved kind after years of self denial A s a rule at least in England the poet has been a man of leisure or if like Burns he lived by the labour of his hands he wrote poetry in his hours of freedom without hope of practical reward The circumstances of his life and his necessities made Gautier a jour nalist very probably or rather certainly he did not even possess the pittance on which Words worth and Tennyson cultivated verse with an exclusive devotion But we feel a conviction that if Gautier had been more ardently and essentially a poet he too would have found or made a way by which he might devote himself to this art About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish

natural order of things and to enable you to understand that I was the victim of an inexplicable fascination At last the great day came I walked to the church with a step so light that I fancied myself sustained in air or that I had wings upon my shoulders I believed myself an angel and wondered at the somber and thoughtful faces of my companions for there were several of us I had passed all the night in prayer and was in a condition well nigh bordering on ecstasy The bishop a venerable old man seemed to me God the Father leaning over his Eternity and I beheld Heaven through the vault of the temple

Seductive Resistance: The Poetry of Théophile Gautier Constance Gosselin Schick, 2023-10-16 Gautier's poetry merits an attentive reading which respects his own essential criterion of poeticity namely textuality This is a poetry which puts on display its literariness that is its existence as cultural artifact In so doing however it also puts on display the absence of and its resistance to whatever personal or real signified it would evoke or name Its beauty and self indulgent pleasure reveal their hollowness and inadequacy Its chiseled polished surface renders its borders or limits and its play unsatisfyingly and teasingly perceptible Its very superficiality allows invites and seduces the reader to go entre les lignes and perceive the mystery not of what has been symbolically buried unburied concealed revealed but of the truly absent the ab mes superficiels Chapter 1 focusing on texts from the Poésies of 1830 studies the intertextual repetition of Gautier's poetry the citations imitations and transpositions which make evident the poetry's displacement of the significant and the personal into aesthetic simulacra Chapter 2 deals with the poems of Gautier's second collection Albertus and analyzes the use of allegory and of humor as further markers of textual substitution The inherent lifelessness and illusoriness of the textual artifact is revealed in the poems of La Comédie de la Mort the collection examined in chapter 3 Chapter 4 analyzes the so called descriptive referential poetry of España and finds that the monde extérieur of Gautier's poetry functions to express an absence of self and is itself always shown to be other than the Other The diminution of the poetic effected in Emaux et Camées is the subject of chapter 5 and chapter 6 deals with the contextuality the fetishism and the eroticism revealed in a miscellany of poems in particular the libertine poems which do not figure in Gautier's five major collections By short circuiting significations and transforming them into seductive appearances Gautier reveals himself to be the acknowledged maître of both Baudelaire and Mallarmé

Works of theophile gautier, vol.23 Theophile Gautier, 1903 *THEOPHILE GAUTIER* CHARLES BAUDELAIRE, 2019-07-02 Je ne connais pas de sentiment plus embarrassant que l'admiration Par la difficulté de s'exprimer convenablement elle ressemble l'amour O trouver des expressions assez fortement colorées ou nuancées d'une manière assez délicate pour répondre au nécessaire d'un sentiment exquis Le respect humain est un fléau dans tous les ordres de choses dit un livre de philosophie qui se trouve par hasard sous mes yeux mais qu'on ne croie pas que l'ignoble respect humain soit l'origine de mon embarras

Theophile Gautier Maxime Du Camp, Andrew Lang, 2004-01-01 The life of Theophile Gautier is of peculiar interest to men of letters especially to that large proportion of them who like Theophile are polygraphes Our ancestors more briefly termed them hacks and since Dr Johnson or at least since Southey there has been no

hack so distinguished as Theophile His Pegasus was early broken into harness and his biographer Maxime du Camp like himself is constantly regretting this bondage Gautier s biography and his confessions prove that he was a born student He had the love of printed matter he had a memory as proved by his recital of a long poem of Hugo s only once read which rivalled that of Scott
