

A collage of space images featuring nebulae and star fields. The central focus is a large, glowing orange and red nebula with intricate, filamentary structures. Above it, a star field is visible against a dark blue background, with several prominent stars having diffraction spikes. The overall composition is framed by dark borders, suggesting a window or a display panel.

This Is Unimaginable And Unavoidable:

This Is Unimaginable and Unavoidable Guy Smith,2000-09-01 This is Unimaginable and Unavoidable subtitle Irresponsible Writings on Non Duality By Guy Smith Foreword by Tony Parsons This first book by Guy Smith addresses the appearance of separation from first hand experience in an original series of prose verse and notices Challenging and original it constitutes a blast of freedom written in the period six months after awakening Guy Smith is 24 years old and lives in Bristol I love this book It is passionate uncompromising irreverent intimately openhanded and wonderfully without any sense of order or progression Throughout the whole work there is very little that the cunning guru mind can get hold of and turn into a belief system There is a powerful invitation within these outpourings which seems to harbour and generate a feeling of the sensuous the impersonal the unbounded mystery that lies beyond the words This is not a book to wade through steadily but rather a deep pool in which to dip one s foot and maybe fall in There is a proliferation of so called Advaita Non dual literature available today and virtually all of it is borne out of a fundamental misconception about the nature of being However during the last decade some rare clear voices have emerged out of the mist and Guy s work is surely an inspiring and unique confirmation of this wonderful message From the Foreword by Tony Parsons *Against the Stream*
