The Daily Bible® Devotional F. LaGard Smith,2009-11-01 From the creator of the bestselling and beloved Daily Bible more than 1 million copies sold come 365 devotions that lead readers on a provocative chronological pilgrimage through Scripture this time in trade edition Readers can explore the riches and relevance of biblical stories promises and wisdom as they discover the commitment of ordinary people from Noah to Nathanael the faith and folly of heroes such as Abraham Solomon and Peter the power of prayer from the lips of saints and sinners the depth of trust exemplified by Moses Deborah and Mary the challenge of Jesus teaching to reach for a higher standard F Lagard Smith s observations and insights about the Bible provide readers with a rich experience Whether read as a complement to The Daily Bible or as an independent journey these remarkable meditations reveal the purpose of a life built on God s Word

Head-Driven Phrase Structure Grammar Carl Pollard,Ivan A. Sag,1994-08-15 This book presents the most complete exposition of the theory of head driven phrase structure grammar HPSG introduced in the authors Information Based Syntax and Semantics HPSG provides an integration of key ideas from the various disciplines of cognitive science drawing on results from diverse approaches to syntactic theory situation semantics data type theory and knowledge representation The result is a conception of grammar as a set of declarative and order independent constraints a conception well suited to modelling human language processing This self contained volume demonstrates the applicability of the HPSG approach to a wide range of empirical problems including a number which have occupied center stage within syntactic theory for well over twenty years the control of understood subjects long distance dependencies conventionally treated in terms of wh movement and syntactic constraints on the relationship between various kinds of pronouns and their antecedents The authors make clear how their approach compares with and improves upon approaches undertaken in other frameworks including in particular the government binding theory of Noam Chomsky
