**Waterbaby** Michael Muhammad Knight, 2011-05 As children Tam and her older brother were training to be Olympic swimming champions Pitted in a practice race against each other Tam was out in front proving that she had the superior skills until she suddenly suffered her first epileptic seizure Just as he passed her to win Tam s brother pulled her from the water saving her life He was dubbed a hero and his adult life continued with heroic exploits in canine search and rescue at earthquakes and terrorist bombings but Tam who steadfastly refused to enter the water again never forgave her brother for finishing the race while she d felt she had no choice but to wear the mantle of disabled Thus started 30 years of careful vigilance to never again allow her body to betray her nor her brother to ever again exert influence on her path But eventually Tam finds that her life of cautious control and the arm s length estrangement that she s mentally maintained with her family has taken its toll She s retired early feels useless and in limbo and makes an abrupt decision to visit Maine and assist in her sister s genealogy research by exploring a legend that suggests an ancestor was the sole survivor of a shipwreck a baby girl rescued by a lighthouse keeping great great grandfather In Maine Tam meets a distantly removed cousin Nat who tells her of another local legend an unidentified woman who is said to have returned to the lighthouse in the 1930 s to drown herself and whose ghost is sometimes seen at twilight walking the rocky shore Together they fabricate a fantasy version of their ancestors experience in the remote lighthouse where it s possible a shipwrecked baby did wash to shore and irrevocably changed generations of lives a fantasy that also has a sexual component for the two of them Still retaining an adolescent vision of herself as a partial invalid Tam has had a habit of living and reliving the minor traumas of her past but Nat gives her the chance to be someone different yet still the same Tam is for all intents and purposes a ghost but Nat s version of her ghostliness ascribes to it the kind of heroic mystery and romance that Tam has always assumed her brother to have but which Nat now gives her for herself Meanwhile in the real world to add to the drama Tam has rescued a baby who has been taken from his teenage mother by sneaking it out from the small seaside hospital and hiding both mother and child with herself at the privately owned lighthouse where her ancestors once lived Tam s romantic quest to experience her ancestors tragedies and heartbreak takes the particular form of a fascination with Mary Catherine an ancestor who died at the age of 33 and onto whom Tam projects all her own anxieties but this alternate life is invaded by the reappearance of her brother And Tam in a commanding re entry into the water chooses to close the book on her life of self imposed susceptibility

**Waterbaby** Cris Mazza, 2007-09-28 A gripping tale of compulsion obsession and forgiveness set so evocatively amidst the fogs and furies of the offseason Maine coast It s also an intriguing exploration of the ways in which our ancestral pasts echo within our own psyches Lisa Alther author of Kin flicks and Kin folks As children Tam and her older brother were swimming when she suffered her first epileptic seizure He pulled her from the water and was crowned a hero Tam was labeled disabled and never swam again And so began 30 years of vigilance never allowing her body to betray her never allowing her brother

or her family or anyone else to influence her path Now in middle age a lifetime s worth of control has taken its toll Exhausted she heads to Maine where while working on a genealogy project she falls under the spell of two dead women an ancestor Mary Catherine who died at 33 the other the town ghost Through their cloistered tragic lives Tam relives her own life over and over until a distant cousin forces her to see herself in a new light This novel of one woman s quest to transcend self imposed limitations is superbly crafted and richly satisfying and shows us how through resuscitating our pasts and rescuing each other we might just save ourselves Alex Shakar author of *Savage Girl* The Baby's Health Richard Arthur Bolt,1924 Fieldiana ,1904 The Kindergarten-primary Magazine Bertha Johnston,E.
