The notebook is held in front of their chest, and the text 'BELIEVE YOU CAN AND YOU WILL' is written on it in a bold, black, hand-drawn font. The person's hands are visible at the top and bottom edges of the notebook. The background is a blurred outdoor scene with green foliage.

This You Can Believe:

You Can Believe This! Dr. John Thomas Wylie, 2018-11-10 I write in the midst of my own Christian ministerial pastoral experiences and with a divine devout reverential encounter with divinity For Christ I live and for Christ I will die That is the story of my life I live to direct others to the acceptance of Jesus Christ I am concerned about those persons who miss the life changing impact and influence Jesus Christ can bring to their lives The purpose of *You Can Believe This* is to encourage the reading and studying of the Bible and implore you to take the message of Jesus Christ seriously for incorporation into your personal life The only Bible truly valuable to anyone is a read Bible You can believe this The Son of man is come to seek and to save that which was lost Thou will call his name Jesus for he will save his people from their sins I thank God that Jesus Christ is my savior I had trespassed and sinned I was making a course for hell yet in his wondrous grace Jesus saved me and made me his child How would you view him It is safe to say that he is the savior of the world or would he say he is your savior Is Jesus Christ your very own personal savior If not at that point so far as you are concerned he died in vain *I Can Believe in Myself* Jack Canfield, Miriam Laundry, 2021-02-23 A delightful but powerful story that offers children lifelong lessons about believing in themselves bolstering their self esteem and turning the words I Can t into I Can Molly has been chosen to be the next Star of the Day Most kids would be excited Molly however is terrified She just can t speak in front of her class She worries all day She frets all night I can t I can t Molly convinces herself Or can she I Can Believe in Myself is a book that challenges children to change the way they think Other themes in this book include compassion confidence and self esteem as Molly convinces her classmates and even her teacher that they can indeed change their perceptions and do things they never thought possible *Change We Can Believe In?* Anthony Livingston Hall, 2010-08-02 ANTHONY L HALL takes aim at every important issue of our time with a unique and refreshing perspective He comments on Obama accepting the Nobel Prize Many people are still wondering what that mysterious light hovering over Norway was on the night before he arrived But despite claims that it was generated by a UFO or the failed test launch of a Russian missile die hard believers like me will tell you that it was just a celestial sign heralding the Nobel coming of Barack Obama The swine flu pandemic that wasnt An Obama advisor has been quoted saying You never want a serious crisis to go to waste It is instructive to note that the pharmaceutical companies that produce vaccines as well as the peddlers of surgical masks and other flu paraphernalia appear to be heeding this advice Movie about Nehrus affair with the wife of a British diplomat One can only imagine the physical passion they shared especially in light of Edwinas reputed nymphomania which notwithstanding Nehrus efforts she reportedly satiated by making scandalous booty calls on a black man for over 30 years Christmas Day underwear bomber We had the secretary of Homeland Security Janet Napolitano assuring us on Sunday that the system worked in this case If this good job Brownie faux pas doesnt suggest that our whole airline security system is devoid of logic nothing does Cartoon of Obama kneeling and kissing shoe of Chinese leader To be sure the cartoon takes some creative license But the essential point
