**Tupac** Tupac Shakur, 2003 A stunningly designed richly photographed companion to the much anticipated documentary from MTV Films Resurrection brings unprecedented clarity and soulful intimacy to the writings and life of Tupac Shakur 100 photos *Tupac: Resurrection 1971-1996* Tupac Shakur, 2001-01-01 A stunningly designed richly photographed companion to the much anticipated documentary from MTV Films Resurrection brings unprecedented clarity and soulful intimacy to the writings and life of Tupac Shakur 100 photos **Tupac Shakur** Carrie Golus, 2010-08-01 Traces the life and career of the late rap musician and actor Tupac Shakur **Baptized in Dirty Water** Daniel White Hodge, 2019-11-13 Tupac Amaru Shakur was considered a Hip Hop prophet His spiritual journey has not had much attention given to it until now This book looks at Tupac's gospel message from a Hip Hop context Tupac presents a theological message needed now even twenty plus years after his death **The Mark of Criminality** Bryan J. McCann, 2017-06-06 Illustrates the ways that the war on crime became conjoined aesthetically politically and rhetorically with the emergence of gangsta rap as a lucrative and deeply controversial subgenre of hip hop In *The Mark of Criminality Rhetoric Race and Gangsta Rap in the War on Crime Era* Bryan J. McCann argues that gangsta rap should be viewed as more than a damaging reinforcement of an era's worst racial stereotypes Rather he positions the works of key gangsta rap artists as well as the controversies their work produced squarely within the law and order politics and popular culture of the 1980s and 1990s to reveal a profoundly complex period in American history when the meanings of crime and criminality were incredibly unstable At the center of this era when politicians sought to prove their tough on crime credentials was the mark of criminality a set of discourses that labeled members of predominantly poor urban and minority communities as threats to the social order Through their use of the mark of criminality public figures implemented extremely harsh penal policies that have helped make the United States the world's leading jailer of its adult population At the same time when politicians like Ronald Reagan George H W Bush and Bill Clinton and television shows such as *COPS* and *America's Most Wanted* perpetuated images of gang and drug filled ghettos gangsta rap burst out of the hip hop nation emanating mainly from the predominantly black neighborhoods of South Central Los Angeles Groups like NWA and solo artists including Dr Dre Snoop Dogg and Tupac Shakur became millionaires by marketing the very discourses political and cultural leaders used to justify their war on crime For these artists the mark of criminality was a source of power credibility and revenue By understanding gangsta rap as a potent if deeply imperfect enactment of the mark of criminality we can better understand how crime is always a site of struggle over meaning Furthermore by underscoring the nimble rhetorical character of criminality we can learn lessons that may inform efforts to challenge our nation's failed policies of mass incarceration *Roger Ebert's Movie Yearbook 2005* Roger Ebert, 2004 Containing reviews written from January 2002 to mid June 2004 including the films *Seabiscuit* *The Passion of the Christ* and *Finding Nemo* the best and the worst films of this period undergo Ebert's trademark scrutiny It also contains the year's interviews and essays

as well as highlights from Ebert's film festival coverage from Cannes

**American Masculinities in Contemporary Documentary Film** Sara Martín, 2023-05-24 Most documentaries deal with men but what do they actually say about masculinity In this groundbreaking volume Sara Martín analyses more than forty 21st century documentaries to explore how they represent American men and masculinity From Jennifer Siebel Newsom's *The Mask You Live In* to Raoul Peck's *I Am Not Your Negro* this volume explores sixteen different faces of American masculinity the good man the activist the politician the whistleblower the criminal the sexual abuser the wrongly accused the dependent man the soldier the capitalist the adventurer the sportsman the architect the photographer the musician and the writer The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy which makes American men promises of empowerment it cannot fulfill The filmmakers view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism accompanied nonetheless by a celebration of resilient masculinity and of the good American man Firmly positioning documentaries as an immensely flexible relevant tool to understand 21st century American men and masculinity their past present and future this book will interest students and scholars of film studies documentary film American cultural studies gender and masculinity

**Rap and Politics** Lavar Pope, 2020-10-19 Rap and Politics maps out fifty years of political and musical development by exploring three specific moments of local discourse each a response to failures by local state and national governments to address police brutality violence poverty and poor social conditions in Oakland California and the surrounding Bay Area First in the mid 1960s Black youth responded to repressive political and socioeconomic factors in West Oakland by founding the Black Panther Party for Self Defense whose representation of violence and community aid as well as its radical and militant approach to Black Nationalism became a foundational discourse that shaped the development of rap music in the region Second from the collapse of the Party in the early 1980s through the 1990s gangster rap emerged as a form of political expression among local youth who drew heavily on radical and militant elements of Panther discourse in their lyrics and artwork Third hip hop music in the mid 1990s to early 2000s continued these radical discourses and also incorporated coordinated subversive public behavior to the mix The result was a critique of endemic problems facing the local Black community but also an infectious subgenre of party music that gained mainstream popularity Overall this study shows that the specific types of representation created to resist problems of racism and poverty in Oakland is actually key to understanding other rap undergrounds grassroots subcultures and social movements elsewhere In the process Rap and Politics offers readers a new model focused on the development of settings representation movements discourse banks and impact within underground rap scenes

*International Documentary*, 2005 **New York**, 2005 **We Gotta Have It** Esther Iverem, 2007-04-13 An essential look at the cultural dissemination of African American in film with an exclusive

interview with Spike Lee      *Somebody Scream!* Marcus Reeves,2008-03-18 Traces the history of rap music as a key component of the black arts movement in the wake of the civil rights and black power movements examining the music and its politics profiling ten key artists and their influence on the evolution of rap and the music s birth as an expression of urban life and culture      □□□□□ ,2004      **The Billboard Albums** Joel Whitburn,2006 A 50 year history of the rock era including every album that made The Billboard 200 chart over 25 000 This amazing reference source provides an artist by artist listing of every album that charted in Billboard from 1956 through December 31 2005 It includes all the chart data including peak chart position total weeks charted chart debut date total weeks at 1 2 or 3 positions original record label and number and more Also features many bonus sections including a top 500 artists ranking chronological listing of all 1 albums the top 100 albums of all time top artists by decade albums of longevity and more Includes album cover photos artist biographies and many other statistics      **Misogyny & the Emcee** Ewuare Osayande,2008      Collaborating(.) Literature(.) and Composition Frank Gaughan,Peter H. Khost,2007 The disciplines of English and composition seem particularly prone to crisis driven proclamations our kids don t read the great works or they don t read at all or they can t write Crisis talk notwithstanding educators are left to theorize and practice ways to teach reading and writing with intelligence compassion and integrity However it often seems that theoretical formulations do not sufficiently explain their practicable applications and practicable discussions too rarely rise above the level of swapping recipes sharing assignments that work well in one context but may not in another Therefore the editors of this volume submit this collection of essays that strives to harmonize the all too often discordant qualities of theory and practice Each co authored essay illustrates and analyzes various classroom based strategies for productive collaboration between literature and composition This collection envisions a reciprocal to composing literature literaturing composition which entails living through literature as Louise Rosenblatt has it This process regards the literary text as a medium for creative action so that one reads not to criticize so much as to imagine new compositional possibilities The eight essays in this collection are divided into four sections which span topics that include textuality and critical pedagogy argumentation and hybrid genres student engagement and popular culture and materiality and assessment Publisher s website      *The Nightmare and the Dream* Dax-Devlon Ross,2008 Tracing the conflict between assimilation and Black Nationalism through the movements myths and moments that shaped black America and the hip hop generation in the 20th century Ross argues that the battle between Nas and Jay Z was the latest in a long line of creative conflicts between complex oppositional black icons      **Books for the Teen Age** New York Public Library,2006      Business Review Weekly ,2003
