Jesus Up Close Skip Heitzig, 2001 What does an encounter with Jesus really look like Heitzig pastor of a flourishing megachurch in the Southwest applies his fresh energetic style of Biblical exposition to show that Jesus meets believers where they are spirituality changing lives forever *Loving messages, addresses, sequel to Heart-lessons* Louisa Clayton, 1884

**Following Rabbi Jesus** Phil Needham, 2018-01-24 Following Rabbi Jesus is a surprising exposure of who the Jesus we find in the Gospels really is what he teaches those who dare to follow him and how he models what it means to live God's radical kingdom way The reader of the book will discover in this exploration a very different Jesus from the celebrity or hero of much popular church culture the tame ineffective Jesus of compromised Christianity and the inaccessible conceptual Christ of much academic theology The reader who takes the chance of honestly engaging the Jesus we meet in the Gospel stories may find an engaging and liberating contrast to the life he is now living He may even want to make a turn or two and start over *Faithful words, for old and young. [With] Children's pages of faithful words [afterw.] Faithful words for the young*, 1872

**A Scientist's View of the Bible and More** Dr Frank Christian, 2011-03-07 This work contains an attempt at an examination of the text of the Bible from an unemotional and scientific point of view Since God created everything one can be assured that He did so in a way that He saw fit It therefore occurs to the author that God may have done things and may continue to do things in a manner that makes use of His creations This Bible study is written from that point of view It is not an attempt at theology The author concludes from this study that the text of the Bible is undoubtedly completely accurate from a scientific perspective *The Congregationalist and Christian World*, 1907 **Herald and Presbyter**, 1899
