Whatever It Takes The

Marcel A. Müller

Whatever It Takes The:

You May Already Have What It Takes The Art of Winning Alante' Adams,2017 The feelings you must moderate if not you become a slave to it Inside of these pages it will let you know to be aware of these feelings because it prevents most people from getting to the top and staying there By knowing this you will be able to maintain your success How to approach life with the best chance to win every time a way to look at the world that gives you the edge over your enemies so that you will be outlasting the ones who don t understand The key to knowing when you are falling into mediocrity and how to get back to greatness this self evaluation will help you to become your own master by taking heed to what the simple indicators are telling you to get yourself back on the road to winning The mindset it takes to win in any arena these psychological brain power lessons will put you above your competition rather in sports business life or entertainment before you even step out there

What Makes You Tick? Michael J. Berland,Douglas E. Schoen,2009-06-22 In the most challenging economy of our lifetime where should you turn for guidance To the stories of those who have made it the leaders who battled adversity forged their own paths and succeeded because they knew what made them tick As people everywhere confront the global economic crisis success may seem elusive at best impossible at worst Yet history proves that a new generation of success stories will likely emerge from this era of financial chaos And this new book prepares you to be one of those success stories by analyzing the inner qualities that have propelled the forward thinking leaders of our time drive determination and self awareness As strategists for the internationally renowned consumer and political research firm Penn Schoen a world famous chef restaurateur the CEO of NBC Universal a supermodel turned entrepreneur the head of Est e Lauder the commissioner of the National Hockey League the president of Hearst Magazines and the creator of CBS s 60 Minutes Berland and Schoen have discovered that true success is about more than winning True success has an emotional quotient it s about determining your innate strengths deciding what you truly want and striving tirelessly to achieve it Berland and Schoen describe the five archetypes of success visionaries natural born leaders do gooders independence seekers and independents who follow their dreams In this unprecedented collection of stories from some of the most successful people in fashion sports entertainment and business Schoen and Berland demonstrate that success isn t about changing who you are rather it s about figuring out what makes you tick and leveraging that knowledge to your advantage This book shows through compelling first person storytelling that the most successful people understand their own natural abilities and how to use their best qualities to create a fulfilling life and then tells you how to do the same
