[Calls, He Qualifies](#) Aidy Thomas, 2015-06-20 Leaders are appointed by God He does not usually call the qualified but he qualifies the called the ones he has called In this book you will discover how unpredictable God's ways are in relation to whom he calls for a particular assignment Man could call to suit self but God calls to suit all The condition circumstances and demands of every call depends on the need of the moment There is no doubt that His Excellency Udom Emmanuel is a man of destiny with a unique call for a unique service especially when he sacrificed a highly rewarding career in banking as an executive director to answer the call There is a hint of good parenting self motivation hard work loyalty divine orchestration and the people's overwhelming support for a noble cause which makes this publication an interesting read and a complete package for the inspiration of future leaders *When God Wanted to Destroy the Chosen People* Gili Kugler, 2019-06-04

According to narratives in the Bible the threats of the people's end come from various sources but the most significant threat comes as learned from the Pentateuch from God himself What is the theological meaning of this tradition In what circumstances did it evolve How did it stand alongside other theological and socio political concepts known to the ancient authors and their diverse audience The book employs a diachronic method that explores the stages of the tradition's formation and development revealing the authors exegetical purposes and ploys and tracing the historical realities of their time The book proposes that the motif of the threat of destruction existed in various forms prior to the creation of the stories recorded in the final text of the Pentateuch The inclusion of the motif within specific literary contexts attenuated the concept of destruction by presenting it as a phenomenon of specific moments in the past Nevertheless the threat was resurrected repeatedly by various authors for use as a precedent or a justification for present affliction *God's Chosen Vessel for Change* Dr. Royaslyn S. Russell MD/PhD/Ms, 2009-09-24 My ardent hope that this book will inspire everyone that reads it letting them know that with God and a determined mind all things are possible My desire in life has always been to love and interact with people with positive reinforcements Even those with negative views of life I must encourage them to know there's hope for their existence As God enhances my calling for his ministry in every capacity I pray that the motivation of our dearest President Barack Obama will inspire everyone that reads this book to keep up their pride get education in every and any capacity they find fit for them reaching out for their dreams and goals on a higher dimension trusting in God Never give up and God will do the rest **NiRV, Adventure Bible for Early Readers** Zondervan, 2014-12-02 Take early readers on an
