When Kindness Fails:

When Kindness Fails Peter Prendergast,2003-06-01 Metonymy in Grammar and Discourse Comprehension Antonio Barcelona,2024-12-30 This volume written by a foremost expert is a fascinating contribution to cognitive linguistic research on metonymy analyzing authentic texts Its five studies expand current metonymy theory by providing evidence that metonymies regularly occur at more than one analytical level of the same utterance and that they chain to each other in discourse following certain patterns Several analytical notions are developed or refined such as inferential metonymic chain cascading salience factor grid etc The role of metonymy in numerous constructional forms and meanings and in discourse pragmatic meaning is clearly demonstrated in the book *The Linguistic Analysis of Jokes* Graeme Ritchie,2004-03-01 This book starts from three observations First the use of humour is a complex puzzling and idiosyncratically human form of behaviour and hence is of scientific interest Second there is currently no theory of how humour works Third one useful step towards a theory of humour is to analyze humorous items in precise detail in order to understand their mechanisms The author begins by considering how to study jokes rigorously the assumptions to make the guidelines to follow and the pitfalls to avoid A critique of other work on humour is also provided This introduces some important concepts and also demonstrates the lack of agreement about what a theory of humour should look like The language devices used in various jokes such as puns or humour based on misinterpretation are analysed in detail The central part of the book develops and demonstrates proposals for how best to analyze the workings of simple jokes Finally the author makes some general suggestions about the language devices that seem to be central to the construction of jokes The *Linguistic Analysis of Jokes* will be invaluable for researchers and advanced students of humour research linguistics and cognitive science *EXPOSE OF POLYGAMY IN UTAH* Mrs. T.
