When the Cock Crows Waldron Baily,1918 *Before the Cock Crows* Alexandra Perkins,2017-08-03 *Before the Cock Crows* is a prophetic look into the spiritual eyes of the bride of Christ in her slow decline into apostasy In her naivet God s beloved boldly boasts how she will never forsake the Lord Yet her reflection in the mirror at this time bears a striking resemblance to the apostle Peter in the precise moments prior to his denying our Lord and Savior Jesus Christ not once but on three separate occasions This book is biblical in nature with a solid backbone of scriptures to back up and support the heavy weight of such critical subject matter as what will be the role of the Holy Spirit of God as compared to Christian believers during the time of the rule of the Antichrist an explanation of what the mark on the forehead of God s sheep is God s holy temples present past and future how to spiritually eat the word of God why a solo and intimate walk with God is so imperative in these latter days spiritual transformation and renewal and lastly how all of these topics tie into the upcoming apostasy predicted by Jesus Christ so very long ago Indeed the cock will crow for the Christian Church just as it crowed for Peter so very long ago Although there have been many books published on the subject of apostasy throughout the years *Before the Cock Crows* not only forewarns against and prepares its readers for the upcoming apostasy but also teaches them how to develop a deep and intimate relationship with God along the way This book is meant to reach a broad Christian audience but more importantly this book was meant for such a time as this
