When The Leaves Fall:

When the Leaves Come Falling Down Nicolás Ramos López, 2014-01-17 When you eat the leaves falling down a touch of love in verse an illusion to live a desire to feel the word where love and hate get to caress and comfort the soul the beginning of dreams based on reality when we feel to read those feelings we do ours we adapt ve incorporated into our daily experiences Many sleepless nights were the prelude to the presentation of this book that leaves the vast eternal universe that is built creating poetry encounter with the mystery and beauty of words and letters When the leaves fall will thrill hearts filled with emotions to anyone passionate reader to poetry tenderness and simplicity in his poetry gives us encouragement and desire to continue reading one after another so that will be a pleasure reading where imagination accompany us in every verse every feeling When the leaves fall to all those friends who are bilingual or her first language is Spanish will be translated and will be released under the name Latin When the leaves fall I hope everyone can appreciate the author s desire to reach their hearts

When Leaves Fall Winfred Verreen, ThD, 2025-06-26 This book is a must read for anyone experiencing traumatic abuse This book entitled When Leaves Fall addresses the chilling reality of lives that have been traumatized by viscous acts that have resulted in physical and emotional pain It is an aid to those victims who can no longer cover up camouflage and are ready to come out of hiding to confess and confront their emptiness In writing this book the author swings the pendulum in one direction to remediate the darkness pain and loneliness experienced by those who have been victimized and then he swings in the other direction to reveal the frustration of villains who have come to a place in life where they must confront the evil and darkness inside of them that have forced them to hurt others The author embarks on his journey to help at the strategic place where the victim and villain awaken to the reality of their pain and must find help The book characterizes and compares this place to the autumn season when leaves naturally fall from trees and leave them barren and exposed to the elements The author goes a long way to provide awareness to sufferers that they are not alone and there is help for them The author takes three deep dives into the scriptures to search out and bring to the surface hidden pearls of spiritual truths of deliverance second to introduce the hurting to the Lord Jesus Christ the strong deliverer and finally to bring to the surface an analysis of the lives of select biblical patriarchs to show how those sufferers obtained divine deliverance from the same source available to sufferers today Throughout the book the author combines his personal work and experiences with scriptural truths to bring in one volume a step by step path to total deliverance The writing of this book does not stop at deliverance healing and freedom but provides guidance into a new beginning for the delivered and unveils the power of God that awaits them to enter the new season ahead of them
