

A man with long, wavy, light-colored hair and a full beard, wearing a dark, long-sleeved robe with a necklace, stands in a dimly lit laboratory. He holds a round-bottom flask containing a clear liquid in his left hand. In his right hand, he holds a long, thin glass tube that is part of a larger apparatus on a table. The background is filled with various pieces of laboratory glassware, including bottles and flasks, and a large, ornate piece of equipment, possibly a furnace or a large flask, is visible on the right. The lighting is warm and focused on the man and his work.
