***Modern Witchcraft for Beginners*** Lisa Cunningham, 2019-11-02 Most people know what witchcraft is Or at least they think they do But modern witchcraft is so much more than you see on TV or in the storybooks And it is so much more varied than the

tropes most people are familiar with Magic is nuanced layered and deeply personal There simply is not one single form of magic that all users have to abide by In this book witches will find countless ways that they can connect their magical practice to their everyday life Spells and enchantments don t have to sound like they were pulled from a Medieval manuscript to work And those who practice modern witchcraft know this better than anyone But that is not what most people see when they think of witches And this book aims to change that Within these pages magic users will not only learn how to intermingle the magic with the modern and mundane They will also learn so much more Witches will learn what sets different groups of witches apart From Wiccans to secular witches to niche witches The different ways witches are categorized is broken down into several layers each one explained so that readers can find their comfort zone with just a little digging Several popular niches of witchcraft are explained Once the reader has the basics each niche has its own suggestions on how modernity and technology can benefit practitioners in these niches These include apartment witches cosmic witches and kitchen witches among others Popular media says that magic and technology do not mix But that is simply not true Technology can help with everything from accessibility to grimoire layouts and production to research and creating your own personalized magical calendar Modern witches will find a ton of spell ideas within these pages From spell bags to small enchantments to stress relief rituals this book has a little bit of something with everyone Many eyes are written with an eye toward accessibility as well as other constraints that might affect a modern witch Humans have changed over the centuries And so has the way we live So why should our magical practices remain framed entirely by bygone eras Whether you have been practicing for decades or you are just starting out this book will help you modernize your practice The suggestions inside range from ways to incorporate old and new magical methods to the ways you can base your entire magical practice on modern life Your magical practice should reflect who you are And if you feel most comfortable in the clothing habits and wording of formal magic or centuries past then that is the method you can use But if you feel like your magic needs an update or if you can t relate to the way magic is usually framed then take a look inside this book Magic is for everyone You just need to find the method that works for you This book can help Buy Now *The Modern Witchcraft Spell Book* Skye Alexander,2015-09-15 At any given moment you have the power to manifest lasting love boost your prosperity and shape your destiny This book teaches you how to harness your inner magic through incantations potions and charms Whether you re looking to get the job of your dreams rejuvenate your body or bring good fortune to family and friends each page provides you with a spell that can be re created or personalized for your specific situation WITCHCRAFT FOR BEGINNERS Amanda Taylor,2021-01-24 Have you always wanted to understand how to cast a spell Have you ever asked yourself how to use plants or candles in a different way Have you ever wanted to learn how to become a real witch If the answer to these questions is YES then keep reading This beginner s guide longs to dispel the stereotyped concepts of old haggard women flying on broomsticks but also links together why various imageries have become locked in cultural

association The truth about magic is revealed as something any human being can partake in given that they are approaching magic with the most positive intentions Witchcraft is meant for everyone who wants to improve their lives and of whom have felt an organic pull toward a following that thrives upon a gratitude toward the earth around us Prepare yourself for an exciting journey that transcends the physical world reaches into the spiritual and lifts you up to heights that you have yet to achieve This book has different spells in store which will serve as your aid on your dealings or challenges with love health work and money matters This includes specific materials to use detailed instructions and vital incantations In this book you will find the following topics A history of Witchcraft Beliefs practices and common rituals The difference between Wicca and Witchcraft Herbal magik and how herbs plants flowers and more play such an important role in Witchcraft Step by step instructions to help you with basic rituals Spells to get started Creating your own meaningful journey The relationship to nature and the Gods Goddesses Working with the spirit world And more Even if you ve never thought of yourself as having the potential to become a Witch this book will usher you into the world of possibilities of modern Witchcraft Witchcraft is a journey It is an adventure Take your time and enjoy the experience Are you ready to get started and learn more Scroll to the top of the page and select the buy now button
