Witchcraft Pelican S:

The European Witch-Hunt Julian Goodare,2016-05-12 The European Witch Hunt seeks to explain why thousands of people mostly lower class women were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch hunting throughout Europe and North America Combining perspectives from history sociology psychology and other disciplines this book provides a comprehensive account of witch hunting in early modern Europe Julian Goodare sets out an original interpretation of witch hunting as an episode of ideologically driven persecution by the godly state in the era of the Reformation and Counter Reformation Full weight is also given to the context of village social relationships and there is a detailed analysis of gender issues Witch hunting was a legal operation and the courts rationale for interrogation under torture is explained Panicking local elites rather than central governments were at the forefront of witch hunting Further chapters explore folk beliefs about legendary witches and intellectuals beliefs about a secret conspiracy of witches in league with the Devil Witch hunting eventually declined when the ideological pressure to combat the Devil s allies slackened A final chapter sets witch hunting in the context of other episodes of modern persecution This book is the ideal resource for students exploring the history of witch hunting Its level of detail and use of social theory also make it important for scholars and researchers

Bird Or Feather Convention ... John Bunyan Robinson,1910 *The Wicca Handbook* Eileen Holland,2008-10-01 The Wicca Handbook is both a tutorial for new witches and an exceptionally well organized reference book for experienced practitioners It guides us through the first steps in becoming a witch and explores many Wiccan traditions initiations and magical practices The Wiccan year the eight Sabbats along with many of its rituals and ceremonies are examined Holland also provides the background of every facet of witchcraft such as spells for every occasion psychic protection numerology basic astrology and the lore of stones metals candles animals and much more High Priestess Eileen Holland s helpful guide is rooted in practicality and intended as a working handbook not a simple beginner s guide The information is rich clear directions are given and its range of content is extensive Spells circles crystals and color magic herbs health and healing are all covered with abundant direction on how to do it when to do it and suggestions for seeking guidance from the deities Those who have been on their path for a few years will find this a great reference book to refer to time and again
