THE POSSIBLE JOURNEY Sylvester L Steffen, 2006-09-07

THE POSSIBLE JOURNEY is about war and peace about disharmony and harmony about hate and love about what we choose and by which we customize habits In the course of life positives and negatives get folded together in consciousness We can blindly go on and suffer the hurts of negative implications and impose them on others or we can search them out and remove them from the menu of choices Nature equips us to do this We inherit an intuitional capacity for symbiotic accommodation but also a strong inclination toward hyped egoism One is the way of love and harmony the other is the way of discord and degradation It s not about God it s about us and our personal choices to become Godlike or otherwise Natural self reflective evolution symbiosis the option of love is ours to choose Intentional symbiosis is the way of Godhead Harmony the Way of WORD LIGHT LOVE The alternative is the way of waste of personal and social degradation the trinity of ignorance arrogance greed Coming to the wisdom of faith reason by way of trimorphic resonance is an adult divine human process of consciousness something larger and beyond the pabulum of institutional religion Our choice is to continue on the way of repressive Dominion Theology imperialism and violence or to diverge and opt the way of Liberation Theology love for one another openness and intentional accommodation THE POSSIBLE JOURNEY aspires to be a lifetime guide for growth into adult faith and fulfilled living Let it be your guide to the harmonic Way of TRUTH LIGHT LOVE Uncompromised Trust fidelity to mutuality is the best option for developing the possibilities of life For the Love of God and for Peace on Earth choose intentional symbiosis choose trust choose life
