OUR REPORT Ruperto Punsalan,2013-11-28 A new theology of the Y2K based on Biblical prophecies and computations of the 666 mentioned in the Book of the Revelation Identified here through computations are the 7 Churches and the real Church that Jesus built It is also identified that the Church that Jesus built is the same as the land that God promised in Moses time Isaiah 53 says Who has believe OUR REPORT And to whom has the arm of the Lord been revealed This is OUR REPORT of the Y2K This book shows the formula how to compute and once you learn how to compute you will know that Jesus is real that Christianity is real that God is real Y2K Bible Jesse Feiler,Barbara Butler,1999 The ultimate resource for planning implementing and troubleshooting a Y2K strategy on a tight schedule this book contains a do it now checklist and a day after triage plan Readers will understand the impact of Y2K on computers the technological infrastructure and society and learn about the global issues and impact of Y2K **Bible Advocate** ,2000 A History of the Apocalypse Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history **Why the Church of the Nazarene Should be Fully LGBTQ+ Affirming** Thomas Jay Oord,Alexa Oord,2023-05-01 This book fundamentally changes the game for the Church of the Nazarene A growing number of people are calling for fresh conversations about sexuality and gender And many want fundamental change This book gives voice to those people There are strong reasons the Church of the Nazarene should become fully LGBTQ affirming The writers of these essays whether queer or straight lay out those reasons share their experiences and explain why change is needed Love rests at the heart of the denomination s view of God And yet its statement about human sexuality does not support the ways of love At least in America the Church of the Nazarene is rapidly shrinking Many people are leaving the denomination because of its views on LGBTQ matters According to research in fact the holiness movement is the worst at keeping young people This book offers hope Hearing the voices of queer people allies and scholars is a crucial step toward transformation For love to win in the Church of the Nazarene change is needed **ENDORSEMENTS** We Nazarenes have a peculiar origin story The pioneers of our movement didn t agree Even where some of the most important tenets of faith are concerned our founders couldn t and didn t agree But they prioritized being and staying together in the hopes that what united them would be stronger than what

would divide them In that same spirit of hopeful inclusiveness these writers dream of a tent large enough to house our differences May we learn again the power of dignity inclusion diversity breadth and love Jon Middendorf Senior Pastor at Oklahoma City First Church of the Nazarene These essays are the start of a much needed conversation for the church and LGBTQIA community At times they are not easy to read you may agree with some things and not with others But the generations coming behind us some as authors in this book need us to hear and engage with their hearts Read them let their emotion soak in And then start talking about it Bruce Barnard Elder in the Church of the Nazarene ABOUT THE EDITORS Thomas Jay Oord is a theologian philosopher and scholar of multi disciplinary studies Oord has been an ordained elder in the Church of the Nazarene for more than 30 years taught at two Nazarene institutions of higher education and published many books through the denomination s publishing house A best selling author Oord currently directs doctoral students at Northwind Theological Seminary Website thomasjayoord com Alexa MacKenzie Oord is a graduate of Harvard University and Simmons University Oord currently serves as an Administrative Assistant in Undergraduate Student Life at Columbia University in New York She also works as Senior Editor at SacraSage Press Website sacrasagepress com *Endtime* ,1999
