**Magic Hours** Tom Bissell, 2018-03-20 Award winning essayist Tom Bissell explores the highs and lows of the creative process He takes us from the set of The Big Bang Theory to the first novel of Ernest Hemingway to the final work of David Foster Wallace from the films of Werner Herzog to the film of Tommy Wiseau to the editorial meeting in which Paula Fox s work was relaunched into the world Originally published in magazines

such as *The Believer* *The New Yorker* and Harper's these essays represent ten years of Bissell's best writing on every aspect of creation be it Iraq War documentaries or video game character voices and will provoke as much thought as they do laughter What are sitcoms for exactly Can art be both bad and genius Why do some books survive and others vanish Bissell's exploration of these questions make for gripping unforgettable reading

**Narratives of Arab Secularism** Youssef M. Choueiri, 2022-11-16 This book offers a new interpretation of the rich narratives of Arab secularism contending that secularism as a set of ideas and a social movement is destined to loom large on the political and legal horizon of most Arab states Youssef M Choueiri provides a study of three moments in the development of secularism in the Arab World the Machiavellian the Alfierian and the Gramscian It is within such a scope that secularism in its interaction with state building projects women's emancipation and religion is treated as an intellectual current and a discursive entity embedded in the political process of its diverse societies Through the chapters Choueiri demonstrates how secularism occupies a pivotal presence in the religious and political life of the Arab world exploring such interrelated configurations as indigenous contributions diverse reforms and the impact of Western states He concludes that secularism has become a moral prerequisite and a required vehicle in creating the necessary conditions for the success of democracy in the Middle East

**Narratives of Arab Secularism** tackles the complexity and contemporary ramifications of the subject in a way that no previous single study has been able to It will be relevant to both students and academics dealing with topics related to the Middle East including religion politics anthropology and history Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**A Red Line in the Sand** David A. Andelman, 2021-01-05 A longtime CNN columnist astutely combines history and global politics to help us better understanding the exploding number of military political and diplomatic crises around the globe The riveting and illuminating behind the scenes stories of the world's most intense red lines from diplomatic and military challenges at particular turning points in history to the ones that set the tone of geopolitics today Whether it was the red line in Munich that led to the start of the Second World War to the red lines in the South China Sea the Korean Peninsula Syria and the Middle East As we traverse the globe Andelman uses original documentary research previously classified material and interviews with key players to help us understand the growth the successes and frequent failures that have shaped our world today Andelman provides not just vivid historical context but a political anatomy of these red lines How might their failures be prevented going forward When and how can such lines in the sand help preserve peace rather than tempt conflict A Red

Line in the Sand is a vital examination of our present and the future where does diplomacy end and war begin It is an object lesson of tantamount importance to every leader diplomat citizen and voter As America establishes more red lines than it has pledged to defend every American should understand the volatile atmosphere and the existential stakes of the red web that encompasses the globe

**Al Qaeda's Global Crisis** V. G. Julie Rajan,2015-01-30 This book focuses on the crises facing Al Qaeda and how the mass killing of Muslims is challenging its credibility as a leader among Islamist jihadist organizations The book argues that these crises are directly related to Al Qaeda s affiliation with the extreme violence employed against Muslims in Iraq Syria Afghanistan and Pakistan in the decade since 9 11 Al Qaeda s public and private responses to this violence differ greatly While in public Al Qaeda has justified those attacks declaring that for the establishment of a state of true believers they are a necessary evil in private Al Qaeda has been advising its local affiliates to refrain from killing Muslims To better understand the crises facing Al Qaeda the book explores the development of Central Al Qaeda s complex relationship with radical mis appropriations and manifestations of takfir which allows one Muslim to declare another an unbeliever and its unique relationship with each of its affiliates in Iraq Syria Afghanistan and Pakistan The author then goes on to consider how the prominence of takfir is contributing to the deteriorating security in those countries and how this is affecting Al Qaeda s credibility as an Islamist terror organization The book concludes by considering the long term viability of Al Qaeda and how its demise could allow the rise of the even more radical violent Islamic State and the implications this has for the future security of the Middle East North Africa and Central South Asia This book will be of much interest to students of political violence and terrorism Islamism global security and IR
