The Ten Commandments United Church of God, 2011-11-16 Can you find a proven source for lasting standards and values God revealed the heart of His standards the Ten Commandments long ago at Mount Sinai But what sets them apart from man made rules and guidelines What do they reveal about nature of God Himself In this booklet you ll discover the answers to these questions and more Inside this booklet The First Commandment What Is Our Greatest Priority The Second Commandment What Is God Like The Third Commandment From Profanity to Praise The Fourth Commandment Key to a Relationship With Our Creator The Fifth Commandment A Foundation for Success Sixth Commandment Life Is a Precious Gift Seventh Commandment Protect the Marital Relationship Eighth Commandment Practice Giving Rather Than Getting Ninth Commandment Truth as a Way of Life Tenth Commandment True Righteousness Comes From the Heart Does the New Covenant Abolish the Commandments View or download other free booklets at [www.ucg.org](http://www.ucg.org) **The Ten Commandments**

Billy Graham, Billy Graham Evangelistic Association, 2005 **Ten** J. John, 2000 Can we really expect an ancient list of do s and don ts to apply to life in the twentyfirst century J John believes that far from being outdated or irrelevant God s ten commandments represent the best compass for a society that is lost in a thick moral fog Imagine a world where people loved each other What would it look like How would people behave towards one another J John explores an ancient code of behaviour that provides a window on life as it should be life as it could be where respect for others and for God determines everything we do The name that code normally goes by is the Ten Commandments But be prepared for a few surprises

*The Ten Commandments: What They Mean, Why They Matter, and Why We Should Obey Them* Kevin DeYoung, 2018-10-15 Are the 10 Commandments still relevant today Do they still apply Which ones What do they mean in light of God s mercy revealed in Jesus Highlighting the timelessness and goodness of God s commands pastor Kevin DeYoung delivers critical truth about the 10 Commandments as he makes clear what they are why we should know them and how to apply them This book will help you understand obey and delight in God s law commandments that expose our sinfulness and reveal the glories of God s grace to us in Christ **Between Woman, Man and God** Hagith Sivan, 2004-06-01 At the heart

of the Exodus is a recitation of the Decalogue a contract between Yahweh and Israel that inscribes Israel into the fabric of human societies while emphasizing its uniqueness through Yahweh According to the demands of the Decalogue manhood entails the avoidance of stealing killing and coveting not to mention apostasy and violation of the Sabbath and other men s property What then would be the essence of womanhood if different Is there an exclusion of women from active participation in the Sinaitic theophany and consequently from active sharing of responsibility and identity How ethically normative are the Ten Commandments And in terms of the present study how gender specific are they This study reclaims the encoded voice of womanhood or rather the code of women as one crucial key for comprehending the ancient Israelite mind By selecting female characters narratives as interpretative clues for the law this book presents a reading of the Decalogue at three levels legal

behavioral and representational

**The Ten Commandments** Michael Coogan, 2014-04-28 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is the most authoritative Why were different versions created Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men's property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context *The Ten Commandments* William P. Brown, 2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown's *The Ten Commandments* will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

**The Ten Commandments in the Nineteenth Century** Ferdinand Schureman Schenck, 1889 [A History of the Ten Commandments](#) Clarence William Sickles, 2015-11-09 A History of the Ten Commandments with a Modern Moral Code traces the way the Ten Commandments God gave to Moses on Mt Sinai in the 13th century BC changed through the ages analyzing the seventeen versions of the Decalogue which now exist The author also presents a moral code which is related to the Mosaic Decalogue but is not religious and should therefore be acceptable for public display in the secular world The book features photographs of plaques depicting the Ten Commandments with interesting eleven commandment variations on display throughout the country Written for a broad audience ranging from Sunday school teachers and scholars to the average reader this book is essential reading for those seeking to discover information about the greatest document in human history and wanting to learn about a new moral standard desperately needed in the ethically corrupt world of the
