Unbearable Wrongness Of Being:

In the House of the Hangman volume 5 John Bloomberg-Rissman,2016-12-29 A marathon dance mix consisting of thousands of mashed up text and image samples In the House of the Hangman tries to give a taste of what life is like there where it is impolite to speak of the noose It is the third part of the life project Zeitgeist Spam If you can t afford a copy ask me for a pdf *The Unbearable Wrongness of Being* Frank Mosca,2001-02 The Unbearable Wrongness of Being is an exploration of the Option Method perspective through the device of literary vignettes taken from classic literature and altered to create an Option dialogue in each story The Option Method is a way to let go of your unhappiness through a dialogue method of self inquiry It is a self educational tool that allows you to get to the heart of your assumptions about unhappiness and gradually see reality in a new light It is practical compassionate and non ideological in nature The fictionalized settings give a fine overview of how this method is utilized You will see how Option could have operated with Dostoevsky s Brothers Karamazov and the Grand Inquisitor in particular how it reflects itself in Tolstoy s Death of Ivan Ilych or in a lost dialogue of Plato or in a new version of Euripides Medea or eavesdrop on an Option discussion with the Buddha That and more covering themes of Death the Meaning of History Love Hate Evil etc are brought to life in the creative setting of the Option perspective at work in the creative process a process alive in each of us Join these fiction characters on a journey of discovery and find yourself opening the door to greater joy along with them Joywords Frank Mosca,2000-12 Joywords is an introduction to the Option Method that utilizes both a step by step conceptual framework and actual edited dialogues with nine people who profited from this educational experience You will find issues of panic attacks sexual abuse marital discord failing health loss of direction in life breaking free from the constraints of the opinions of others fear of death guilt and the legacy of the Holocaust all addressed by individuals who came to burst the bonds of the assumptions that stood between them and a fuller and ongoing embrace of their here and now happiness and joy Here is an elegant deceptively simple but enormously powerful tool that can lift you beyond the suppositions of Old Age or New Age approaches and truly set you on a course of liberation from the many forms of unhappiness that plague our every day lives You become the expert on you using this dialogue questioning method There are no limits to how happy you can become with this method except the one s that you presently hold to be true This work invites to come to the fullest realization of your potential to live your life in joy **Contesting Islam, Constructing Race and Sexuality** Sunera Thobani,2020-12-10 The current political standoffs of the War on Terror illustrate that the interaction within and between the so called Western and Middle Eastern civilizations is constantly in flux A recurring theme however is how Islam and Muslims signify the Enemy in the Western socio cultural imagination and have become the Other against which the West identifies itself In a unique and insightful blend of critical race feminist and post colonial theory Sunera Thobani examines how Islam is foundational to the formation of Western identity at critical points in its history including the Crusades the Reconquista and the colonial period More specifically she

explores how masculinity and femininity are formed at such pivotal junctures and what role feminism has played in the wars against radical Islam Exposing these symbiotic relationships Thobani explores how the return of religion is reworking the racial gender and sexual politics by which Western society defines itself and more specifically defines itself against Islam Contesting Islam Constructing Race and Sexuality unpacks conventional as well as unconventional orthodoxies to open up new spaces in how we think about sexual and racial identity in the West and the crucial role that Islam has had and continues to have in its development
