

## WEIGHT LOSS DO'S AND DON'TS CHECKLIST

Ready to tackle those extra pounds? Start with a plan. The more you prepare for your weight loss journey, the more successful you'll likely be. Follow these "do's" and "don'ts" to get started.

### DO'S

- KEEP A FOOD DIARY**  
People often underestimate how much they eat in a day. Write down what you eat and when you eat it to account for all meals, snacks, drinks, and desserts.
- DRINK PLENTY OF WATER**  
Drink at least 6 glasses per day to stay hydrated, feel full, and increase the rate at which you burn calories.
- MAKE A MEAL PLAN**  
Create a menu of healthy foods for the week. Take it with you when you shop, and only purchase items on the list so you stick to it.
- EAT FIBER**  
Keep your gut healthy and burn more belly fat with plenty of fiber. Find it in almonds, flaxseed, and veggies.
- SCRAP JUNK FOOD FOR HEALTHY FOOD**  
Swap potato chips for popcorn and bacon burgers for grilled salmon. Fill your plate with veggies, whole grains, and lean meats to increase your metabolism and stabilize your blood pressure.
- EAT SOME FAT**  
Healthy fats, like Omega-3 and Omega-6, help you burn body fat while maintaining muscle. They'll make you feel fuller and may reduce your absorption of carbohydrates.
- WATCH YOUR PORTION SIZE**  
Eat less at mealtime or try eating smaller meals throughout the day. Fruits and vegetables should fill half your plate, with grains and protein on the other half.
- SLEEP BETTER**  
A good 7 - 8 hours of sleep helps regulate your appetite hormones, so you recognize when you're full. Lack of sleep can decrease your metabolism.
- EXERCISE**  
Regular physical exercise is imperative for weight loss success. It burns calories and increases lean body mass to rev up your metabolism.
- ADD VARIETY**  
Find a wide range of healthy recipes and foods to try. Sticking with the same few foods can get boring and may drive you to make unhealthy choices.
