Speak Good News David Schaal, 2024-02-16 If one word evokes discomfort when spoken to Christ followers and non Christ followers alike it would be the word evangelism For the Christ follower this word brings feelings of guilt shame and inadequacy They know that at some level they should be participating in evangelistic activities but they are not My passion is to see Christ followers intentionally engaging people in spiritual conversations I wrote this book to educate and encourage Christ followers in the beauty of sharing the love of Jesus with others *Speak Good News* aims to change the less than favorable reputation associated with evangelism This book will encourage and equip Christ followers to confidently engage in spiritual conversations with individuals they experience life with I do this by taking a historical look at evangelism its purest meaning and offering a fresh lens for the Church to view evangelism I identify misconceptions and barriers that keep faithful Christ followers from sharing the wonderful story of Jesus with others It nudges believers into the shallow end of the gospel pool while encouraging them to engage in simple spiritual conversations about Jesus with others
