Introductory Discrete Mathematics V. K . Balakrishnan,2012-04-30 This concise undergraduate level text focuses on combinatorics graph theory with applications to some standard network optimization problems and algorithms More than 200 exercises many with complete solutions 1991 edition *Math Scripts*

Carol Armstrong Hardee,2022-01-12 *Math Scripts Algebra 1* is a supplemental resource to any Algebra 1 course It is designed to allow students to practice solving equations and inequalities studied in Algebra 1 using a script The script provides word for word steps using the rules of equations inequalities and order of operations Students can partner with other students and speak the parts in the script that describes step by step how to solve what is given They have a great opportunity to write what they are saying which helps them to process how what they are saying is related to how to denote the solution process symbolically In other words they are not only able to say the correct process but they see how it should be written building their literacy There are different levels for each topic so students can begin at an entry level and continue with more complex scripts Speaking the language of math by performing math scripts will help your student become more fluent in math

The Psychic's Guide to the Universe: Memoirs of a Secret Psychic Betty Jane Roschlau,2012-02-27 My Purpose in writing this Book It is a gift to the countless children and young people who have lived with the fear of threatening ghosts they could not tell anyone about Ghosts are frustrated souls terrified of the Judgment Day They avoid the Light because of unresolved Karma and are drawn to the innocence of children for help This is the story of my personal life guided by paranormal experiences My childhood development was interrupted by sexual abuse when I was 6 years old I was confused and desperate until the Watcher came to my rescue I experienced fear and self doubt growing up but whenever evil cast a dark shadow across my path he showed me many psychic gifts that served to protect me Once I understood my paranormal experiences were gifts I could use I was able to overcome my fear I want to share this blessing with all who have suffered in silence In *The Psychic s Guide to the Universe* you will find the answers you need With all my Love Betty Roschlau
