[Diets and Dieting](#) Sander L. Gilman,2008-01-23 Diets and dieting have concerned and sometimes obsessed human societies for centuries The dieters regime is about many things among them the control of weight and the body the politics of beauty discipline and even self harm personal and societal demands for improved health spiritual harmony with the universe and ethical codes of existence In this innovative reference work that spans many periods and cultures the acclaimed cultural and medical historian Sander L Gilman lays out the history of diets and dieting in a fascinating series of articles **Health Freaks** Travis A. Weisse,2024-09-03 Travis A Weisse tells a new history of modern diets in America that goes beyond the familiar narrative of the nation's collective failure to lose weight By exploring how the popularity of diets grew alongside patients frustrations with the limitations and failures of the American healthcare system in the face of chronic disease Weisse argues that millions of Americans sought fad diets such as the notorious Atkins program which ushered in the low carbohydrate craze to wrest control of their health from pessimistic doctors and lifelong pharmaceutical regimens Drawing on novel archival sources and a wide variety of popular media Weisse shows the lengths to which twentieth century American dieters went to heal themselves outside the borders of orthodox medicine and the subsequent political and scientific backlash they received Through colorful profiles of the leaders of four major diet movements Health Freaks demonstrates that these diet gurus weren't shady snake oil salesmen preying on the vulnerable rather they were vocal champions for millions of frustrated Americans seeking longer healthier lives **The Dieter's Directory** Dean D. Kimmel,1993 **Encyclopedia of Diet Fads** Marjolijn Bijlefeld,Sharon K. Zoumbaris,2014-11-25 This updated encyclopedia examines the basics of nutrition and dieting presenting the important people concepts and criticisms involved and examining the pros and cons of different plans This A to Z reference describes many of the health fads and fashions of the past as well as current trends in weight loss to help people understand the principles of weight loss and the benefits of healthy choices The authors help to identify effective means of losing weight and maintaining a healthy lifestyle placing particular emphasis on weight loss programs aimed at young people who struggle most with obesity eating disorders and body image The book explores what works what is potentially dangerous and what scientists are discovering about nutrition while also offering sustainable advice for keeping fit The second edition of Encyclopedia of Diet Fads includes many updated expanded and completely new entries as well as the latest information on diets and reviews many popular diet trends like the Atkins Diet the Zone Diet Weight Watchers and
