War and Peace graf Leo Tolstoy, 1889 **Slow Awakening** Paul Eslinger, 2020-07-05 In the distant past humans inhabited many worlds spread across one arm of the Milky Way Galaxy Only two survived when a battle between vast forces of evil and good spilled over into the local galactic neighborhood Members of one family know something of the truth and they are determined not to repeat their past role as pawns Continuing incursions by evil creatures derail their climb back to the stars for millennia but then a new child is born Trained by her parents and tempered by interactions with humans and interlopers she struggles to follow the vision cast by her parents Is success only a dream or can she point the way clearly enough that others will follow

The Student , 1889 **The Church's Other Half** Trevor Beeson, 2011-11-30 Women have always constituted at least half of the church s membership but for almost 2 000 years were excluded from any significant part in its leadership After the example of Jesus the earliest Christian communities were wholly inclusive in their organisation but a patriarchal model derived from the pattern of the secular Greco Roman societies was

soon adopted This restricted women to subordinate roles from which the struggle to escape continues However there were always some courageous and often highly talented women who sought to exercise a Christian ministry within but usually outside the church s structures Focusing on the Church in England Trevor Beeson provides short lives of some of these Among them are several well known historical figures such as Hilda of Whitby but the majority of the book celebrates the accomplishments of women in the last two hundred years in religious life social reform literature and theology and above all in the ordained ministry More than 5000 women have been ordained to the priesthood so far and in 2012 the consecration of women as bishops is likely to be authorised Trevor Beeson reflects on the long term consequences of a momentous change in the church s life which should result in the release all its members from the restrictions of a still largely male orientated faith community
