**Stories for Small Angels** Gary W. Cook,2007-09 Gary Cook author of Stories For Small Angels says I am under no illusion Children are not angels not even my own grandchildren However there occasionally comes a moment when children look a little like angels That moment comes when children are in their pajamas and ready for bed They are still and quiet as someone reads them a story or maybe they read it for themselves Their imagination comes alive and in their faces you can see the promise of their becoming what God created them to be In Stories for Small Angels Cook combines his knowledge of the Bible with his imagination and his experiences as a grandfather and the results are Christmas stories that will indeed encourage a child to experience one of those special almost angelic moments This book is an eLIVE book meaning each book contains a code to redeem a free audio book download from the Tate Publishing website **The Small Angel** Michael
