Smiley Man Chronicles:

SMILEY-MAN CHRONICLES Jeff Harris,2005-02-14 Smiley Man Chronicles is the true story and reminiscences of Michael Mulholland Tahni Jones Eddy Boros Kevin Donnelly the Lefty Jones Band Edwardo Pancho Rosie et al Technically your author has been more of an archivist and editor than story teller He has also tried to hold the price down on this volume so that it will not cost you too much

Church of the Red Arrow Michael Houlihan,2011-02-14 The Church of the Red Arrow is a book about everything at once It is perfect for people with ADD or people who just get bored easily You can flip around in it all day like the yellow pages and always wind up home In this respect it is like the old saying that all roads lead to Mecca It is poetry fiction and nonfiction with a section listing hundreds of unanswerable questions that are thought provoking and good topics of conversation There are also several short stories which start out linear and end up Joycian The book covers politics poetry and all sorts of paradoxes It is philosophical and sometimes just plain dumb I think you will find it an honest read sometimes whimsical sometimes seriously difficult sometimes fusing an antithesis or two often just by accident hence the conclusion that Lady Luck has smiled on this book Your author has written three other volumes which could or could not hook up quite nicely with this one if everything in the world were a train Mr Houlihan is also a member of the Lefty Jones Band but it is not his fault He refuses to play out or be seen in public

Fay & Eddy Jeff Harris,2005-09-20 Fay Eddy is a story of lovers gone crazy and wild and poetic It s also a psychological study of broken hearts daydreams and drifters trying to find some truth that will last It s pornographic and pleasing and infinitely teasing

characters Beene contends are more reminiscent of Charles Dickens's best caricatures their actions remind readers that decency love and the line between betrayal and loyalty are precarious In the tradition of Joseph Conrad Somerset Maugham and Graham Greene Le Carre creates largely convincing characters whose often unshakable faith in conspiracy leads uncontrollably to treachery Although often efficient Le Carre's people are pawns in an espionage chess game where betrayal is the basic tactic once caught in the game Beene observes their only escapes are betrayal death or worse self realization and angst as is the case with the perennial character George Smiley Le Carre is singular among contemporary writers because Beene argues he exchanges action the mainstay of espionage fiction and that which makes the genre pure entertainment for psychological debate and ethical paralysis Le Carre writes of an our side indistinguishable from theirs we can be incompetent fumbling and mindlessly destructive they can be decent conscientious and dedicated *The Publishers Weekly* ,1924
