The Carousel:

The Carousel Liz Rosenberg, 1998 Two sisters find that the horses of a broken carousel have come alive in the rain

The Carousel Richard Paul Evans, 2001-10-02 This is the love story of Michael Keddington and Faye Murrow a love story that takes place not in seclusion but in the real world with the challenges that all lovers must face No relationship is an island There are threads that bind us all and pull at our lives the demands of family of friends of work and social obligation And there are times that the pull of those threads becomes greater than the strength of the relationship In these times no matter how much two people love each other a relationship must grow strong or be torn apart The Carousel is about what happens when life doesn't turn out the way that we planned Beyond a love story it is about faith loyalty and sacrifice My hope is that you and those with whom you share this book might find the message of this story meaningful and applicable to your own life And that in some way you might feel changed Sincerely Richard Paul Evans A Pictorial History of the Carousel

Frederick Fried, 1964 The Carousel Animal, 1983 **The Carousel** Belva Plain, 2011-04-06 In public Oliver Grey is a devoted father prominent public figure humanitarian and respected businessman But in private there's a much darker side to Oliver Grey a side so dark that someone is driven to kill him Though the Greys appear to be an enviable upper class family they are not without problems Ian the older son is a womanizer and compulsive gambler Clive the younger son is an odd man barely five feet tall with no life outside his work as an accountant and Amanda Oliver's niece whom he raised after her parents died in a plane crash has been twice divorced and has had a difficult life Dan Amanda's brother is the only Grey who appears to have no problems except with his six year old daughter Caroline whose behavior reminds him more and more of his troubled sister Amanda The trouble had started with Oliver Grey's decision to divide his nationally known business Grey's Food among Ian Clive and Dan Amanda bitter about being left out of the business arrives from California to straighten out her financial holdings in the company On a visit to Ellen Dan's wife Amanda sees a silver carousel much like the one Oliver gave her when she was a child Ellen says the carousel was a gift to Caroline from Oliver Amanda breaks down and tells Ellen that Oliver had given her the carousel to keep her from telling the truth about the unspeakable things he had done to her Ellen horrified by this revelation finally understands why her daughter has been acting so strangely and why a therapist had raised the possibility that Caroline may have been sexually abused Ellen goes to Oliver Grey's home that evening to confront him And when she leaves he is dead Belva Plain breaks new ground in this stunning new novel A family drama with a strong strain of mystery The Carousel confirms her standing as one of today's most compelling and popular writers **The**
