

If there's empty spaces in your heart,
They'll make you think it's wrong,
Like having empty spaces,
Means you can never be strong.
But I've learnt that all these spaces,
Means there's room enough to grow,
And the people that once filled them,
Were always meant to be let go.
All these empty spaces,
Create a strange sort of pull,
That attract so many people,
You wouldn't meet if they were full.
So if you're made of empty spaces,
Don't ever think it's wrong,
Because maybe they're just empty,
Until the right person comes along.

The Hemingway Poems:

88 Poems Ernest Hemingway, 1979 Complete Poems Ernest Hemingway, 1992-01-01 Ernest Hemingway never wished to be widely known as a poet He concentrated on writing short stories and novels for which he won the Nobel Prize in 1956 But his poetry deserves close attention if only because it is so revealing Through verse he expressed anger and disgust at Dorothy Parker and Edmund Wilson among others He parodied the poems and sensibilities of Rudyard Kipling Joyce Kilmer Robert Graves Robert Louis Stevenson and Gertrude Stein He recast parts of poems by the likes of Ezra Pound and T S Eliot giving them his own twist And he invested these poems with the preoccupations of his novels sex and desire battle and aftermath cats gin and bullfights Nowhere is his delight in drubbing snobs and overrefined writers more apparent In this revised edition of the Complete Poems the editor Nicholas Gerogiannis offers here an afterword assessing the influence of the collection first published in 1979 and an updated bibliography Readers will be particularly interested in the addition of Critical Intelligence a poem written soon after Hemingway s divorce from his first wife in 1927 Also available as a Bison Book Hemingway s Quarrel with Androgyny by Mark Spilka *The Hemingway Poems* Ronald E. Tracing Paradigms: One Hundred Years of Neophilologus Rolf H. Bremmer Jr, Thijs Porck, Frans Ruiters, Usha Wilbers, 2016-09-27 This volume brings together a selection of pivotal articles published in the hundred years since the launch of the journal *Neophilologus* Each article is accompanied by an up to date commentary written by former and current editors of the journal The commentaries position the articles within the history of the journal in particular and within the field of Modern Language Studies in general As such this book not only outlines the history of a scholarly journal but also the history of an entire field Over the course of its first one hundred years 1916 to 2016 *Neophilologus* An International Journal of Modern and Mediaeval Language and Literature has developed from a modest quarterly set up by a group of young and ambitious Dutch professors as a platform for their own publications to one of the leading international journals in Modern Language Studies Although *Neophilologus* has remained broad in scope multilingual and multidisciplinary it has witnessed dramatic changes in its long standing history paradigm shifts the rise and fall of literary

theories methods and sub disciplines as has the field of Modern Language Studies itself *Hemingway's Laboratory* Milton A. Cohen,2012-05-05 Illuminates the development of Hemingway s themes and techniques and his future course as a stylist and writer In 1924 Ernest Hemingway published a small book of eighteen vignettes each little more than one page long with a small press in Paris Titled in our time the volume was later absorbed into Hemingway s story collection In Our Time Those vignettes as Milton Cohen demonstrates in Hemingway s Laboratory reveal a range of voices narrative strategies and fictional interests more wide ranging and experimental than any other extant work of Hemingway s Further they provide a vivid view of his earliest tendencies and influences first manifestations of the style that would become his hallmark and daring departures into narrative forms that he would forever leave behind Many of the chapters are pointillistic glimpses of violence bullfights a botched execution the fleeting thoughts of the wounded on the battlefield Others reach back into childhood Still others adopt the wry mannered voice of English aristocracy Though critics have often read these chapters as secondary asides to the longer stories that constitute the commercial collection Cohen argues that not only do the vignettes merit consideration as a unit unto themselves but that they exhibit a plethora of styles and narrative gambits that show Hemingway at his most versatile The final section examines in detail the individual chapters of in our time their historical origins their drafts themes and styles The result is an account of what is arguably Hemingway s most crucial formative period
