

**THE PIVOT OF
CIVILIZATION**

MARGARET SANGER

with an introduction by

H. G. WELLS

The Pivot Of Civilization

Margaret Sanger

The Pivot Of Civilization:

The Pivot of Civilization Margaret Sanger, H. G. Wells, 2016-09-14 This is Margaret Higgins Sanger's 1922 work *The Pivot of Civilization* Margaret Higgins Sanger 1879-1966 was an American sex educator activist nurse and writer She is responsible for popularising the term birth control as well as opening the first birth control clinic in America She also established the organization that would one day become the Planned Parenthood Federation of America Contents include A New Truth Emerges Conscripted Motherhood Children Troop Down From Heaven The Fertility of the Feeble Minded The Cruelty of Charity Neglected Factors of the World Problem Is Revolution the Remedy Dangers of Cradle Competition A Moral Necessity Science the Ally Education and Expression et cetera Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this book now in an affordable modern high quality edition complete with a specially commissioned new biography of the author

The Pivot of Civilization Margaret Sanger, 2018 *The Pivot of Civilization* by Margaret Sanger is a rare manuscript the original residing in some of the great libraries of the world This book is a reproduction of that original typed out and formatted to perfection allowing new generations to enjoy the work Publishers of the Valley's mission is to bring long out of print manuscripts back to life

The Pivot of Civilization Margaret Sanger, 2017-05-22 Birth Control Mrs Sanger claims and claims rightly to be a question of fundamental importance at the present time I do not know how far one is justified in calling it the pivot or the corner stone of a progressive civilization These terms involve a criticism of metaphors that may take us far away from the question in hand Birth Control is no new thing in human experience and it has been practised in societies of the most various types and fortunes But there can be little doubt that at the present time it is a test issue between two widely different interpretations of the word civilization and of what is good in life and conduct The way in which men and women range themselves in this controversy is more simply and directly indicative of their general intellectual quality than any other single indication I do not wish to imply by this that the people who oppose are more or less intellectual than the people who advocate Birth Control but only that they have fundamentally contrasted general ideas that mentally they are DIFFERENT Very simple very complex very dull and very brilliant persons may be found in either camp but all those in either camp have certain attitudes in common which they share with one another and do not share with those in the other camp

The Pivot of Civilization and a Plan for Peace Margaret Sanger, 2011-02 *The Pivot of Civilization* was published in 1922 It contains Margaret Sanger's belief that civilization rises or falls on how it views the people problem It wasn't simply the fact that there were too many people The kind of people roaming the planet were also a problem What kind of people Sanger says it explicitly feeble minded defective moronic epileptic people What should be done with them They should be put into camps They should be sterilized They should be segregated Does this sound familiar It is but one small step to add They should be exterminated 10 years later Sanger introduced her Plan for Peace included in this book which made similar calls So it was that some of the most devilish ideas

carried out by the Nazis not more than a decade later were just as popular in America Indeed it appears the Nazis may have gotten their ideas from American eugenicists Sanger's book will give you a new perspective on the intellectual climate in the early 1900s and a new understanding of contemporary events and issues *The Pivot of Civilization (Graphyco Editions)* Margaret Sanger, 2020-06-18 Diplomats make it their business to conceal the facts Margaret Sanger 1879 1966 was an American birth control activist writer and a nurse born in Corning New York U S Sanger popularized the term birth control opened the first birth control clinic in the United States and established organizations that evolved into the Planned Parenthood Federation of America **The Pivot of Civilization by Margaret Sanger** Margaret Sanger, 2018-01-31 Birth Control Mrs Sanger claims and claims rightly to be a question of fundamental importance at the present time I do not know how far one is justified in calling it the pivot or the corner stone of a progressive civilization These terms involve a criticism of metaphors that may take us far away from the question in hand Birth Control is no new thing in human experience and it has been practised in societies of the most various types and fortunes But there can be little doubt that at the present time it is a test issue between two widely different interpretations of the word civilization and of what is good in life and conduct The way in which men and women range themselves in this controversy is more simply and directly indicative of their general intellectual quality than any other single indication I do not wish to imply by this that the people who oppose are more or less intellectual than the people who advocate Birth Control but only that they have fundamentally contrasted general ideas that mentally they are DIFFERENT Very simple very complex very dull and very brilliant persons may be found in either camp but all those in either camp have certain attitudes in common which they share with one another and do not share with those in the other camp [The Pivot of Civilization](#) Margaret Sanger, 2006-01-01 Introduction by H G Wells Foreword by Peter C Engelman Arguably her most important and influential book this controversial work first published in 1922 by pioneering birth control advocate Margaret Sanger attempted to broaden the still radical idea of birth control beyond its socialist and feminist roots Moving away from a single minded focus on women's reproductive rights to the larger issue of the general health and economic prosperity of the whole human race Sanger argued that birth control was pivotal to a rational approach toward dealing with the threat of overpopulation and its ruinous consequences in poverty and disease Through this book Sanger hoped to persuade the medical establishment to assume control over contraceptive distribution and thereby to lessen the religious legal and moral opposition that continued to restrict access to contraceptive information However important this book is to the history of women's rights it remains a very problematic work from our more scientifically informed perspective today In arguing for population control Sanger made frequent reference to the then fashionable science of eugenics She also adopted its rhetoric using such callous phrases as the feeble minded and the unfit and advocating birth control as a means of limiting the breeding of defectives delinquents and dependents Although she incorporated views and terminology commonly held in respectable medical and scientific circles of the day Sanger's writings

on eugenics and this book in particular have become fodder for her critics both on the left and the right who seek to diminish her achievements and obscure what is ultimately a powerful feminist message when women gain greater control over their fertility they will improve the human race This unusual and historically significant book is complemented by a thoughtful and informative introduction by Peter C Engelman assistant editor of The Margaret Sanger Papers Project who provides much insight by placing this work in the context of the age and Sanger's life [THE PIVOT OF CIVILIZATION Margaret Sanger](#) Margaret Sanger,2020-04-18 Pro Life net offers the full text of The Pivot of Civilization written by Margaret Louise Sanger 1879 1966 the American founder of the birth control movement In this publication Sanger promotes the use of birth control and states that the birth control problem is the most important challenge facing society **The Pivot of Civilization (Classic Reprint)** Margaret Sanger,2015-07-08 Excerpt from The Pivot of Civilization I dream of a world in which the spirits of women are flames stronger than fire a world in which modesty has become courage and yet remains modesty a world in which women are as unlike men as ever they were in the world I sought to destroy a world in which women shine with a loveliness of self revelation as enchanting as ever the old legends told and yet a world which would immeasurably transcend the old world in the self sacrificing passion of human service I have dreamed of that world ever since I began to dream at all Havelock Ellis About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Pivot of Civilization in Historical Perspective* Margaret Sanger,2003-09 Today's heated debates over social issues such as abortion birth control ethnicity immigration race religion sexual behavior and welfare did not begin in the 1960s They began in the last years of the nineteenth century and reached their zenith in the 1920s when this book sold over 200 000 copies Here is all the text of Margaret Sanger's 1922 best seller along with 31 chapters by her contemporaries to set what she advocated in historical perspective This is not history told after the fire and passion have died out These are words spoken in the heat of battle at a time when Sanger and others believed that the fate of civilization depended on their ideas winning acceptance here and around the world *The Pivot of Civilization - Scholar's Choice Edition* Margaret Sanger,2015-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and

Pivot of Civilization Margaret Sanger,2019 **From a "Race of Masters" to a "Master Race": 1948 to 1848** A.E. Samaan,2020-11-09 Nazism remains an enigma Historians do not know whether to slot Nazism as a phenomenon of the political right or left largely because of a misunderstanding of how central eugenics was to the regime Eugenics or racial hygiene was at the core of National Socialism s domestic policy foreign policy culture wars and even Hitler s obsession with cars highways and city planning Thus no coherent understanding of the regime is possible without first grasping the nature of eugenics Eugenics did not originate with Nazi Germany It was the culmination of a worldwide movement that was widely accepted by the global scientific and academic community This book traces the origins of the Nazi eugenics state working backward down the timeline tracing from leaf down to the root We investigate this 100 year trajectory from its beginnings in British and American Academia delving into the conveniently forgotten inner workings of a scientific era uncovering previously unpublished manuscripts professional correspondence and conveniently forgotten publications With the centenary of The Holocaust looming uprooting the web of professional connections that engendered this movement is in order The seeds of Holocaust denial take root and prosper with misinformation Clarity and transparency are imperative as they leave no room for denial theories that would deprive the victims of justice or rob the living of a future

American Eugenics Nancy Ordover,2003 Traces the history of eugenics ideology in the United States and its ongoing presence in contemporary life The Nazis may have given eugenics its negative connotations but the practice and the science that supports it is still disturbingly alive in America in anti immigration initiatives the quest for a gay gene and theories of collective intelligence Tracing the historical roots and persistence of eugenics in the United States Nancy Ordover explores the political and cultural climate that has endowed these campaigns with mass appeal and scientific legitimacy *American Eugenics* demonstrates how biological theories of race gender and sexuality are crucially linked through a concern with regulating the unfit These links emerge in Ordover s examination of three separate but ultimately related American eugenics campaigns early twentieth century anti immigration crusades medical models and interventions imposed on and sometimes embraced by lesbians gays transgendered people and bisexuals and the compulsory sterilization of poor women and women of color Throughout her work reveals how constructed notions of race gender sexuality and nation are put to ideological uses and how faith in science can undermine progressive social movements drawing liberals and conservatives alike into eugenics based discourse and policies

The Coast Artillery Journal ,1922 **The New History and the Social Studies** Harry Elmer Barnes,1925 Adopted by woodchucks at birth a baby goose never feels she truly belongs until the day she discovers she can fly

The Pivot Of Civilization Introduction

In today's digital age, the availability of The Pivot Of Civilization books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Pivot Of Civilization books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Pivot Of Civilization books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Pivot Of Civilization versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Pivot Of Civilization books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Pivot Of Civilization books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Pivot Of Civilization books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Pivot Of Civilization books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Pivot Of Civilization books and manuals for download and embark on your journey of knowledge?

FAQs About The Pivot Of Civilization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Pivot Of Civilization is one of the best book in our library for free trial. We provide copy of The Pivot Of Civilization in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Pivot Of Civilization. Where to download The Pivot Of Civilization online for free? Are you looking for The Pivot Of Civilization PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Pivot Of Civilization. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Pivot Of Civilization are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free

access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Pivot Of Civilization. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Pivot Of Civilization To get started finding The Pivot Of Civilization, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Pivot Of Civilization So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Pivot Of Civilization. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Pivot Of Civilization, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
