from the Manse Rover A Boy s Best Friend is a mental stroll through memory lane when the author was much younger and the world of his family s homestead was open for exploration and expedition with a mostly black German Shepherd and Collie mix at his side Travel with these best friends through the four seasons of nature covered in white and green and brown through the forest paths of north Perham a tiny agriculture community in Aroostook County Maine through the fields and the pastures of a 720 acre dairy and potato farm as they encounter woodland creatures of every sort and barnyard animals of every kind through meadows and mornings and moonsets that years later form wonderful illustrations and spiritual lessons for the young man who would grow up to become a pastor for nearly a half century You will hear from Rover himself as he barks out sermons that will stand the test of time and homestead homilies that will rebuke and reprove as the author makes a modern application to a boyhood experience with his dog Sit back and read and recall your own dog tales or cat tales if that is your favorite animal as you travel again with a lad and his Lassie with a shaver and his Rin Tin Tin through the early years of life when your best friend was a dog named Rover
