days along with keeping to herself she simply endures the horrific monsters she sometimes sees in the place of seemingly normal men She doesn't know what to do so she does nothing Gabe has been Light for eight years He's accustomed to the unique lifestyle centered on destroying the creatures of darkness that infiltrate the human world to wreak havoc on it As a Gatherer his job is to find new Light people and introduce them to their new way of existing but the routine and relatively quiet life he's been leading for so long is interrupted when he encounters Marianne She's distinctive and of all the bizarre things he's seen in his life her unexpected appearance is the one that shocks him the most But these two strangers are on the brink of something much bigger than simply changing each other's lives The scale balancing good against evil can only stay steady for so long before it tips toward darkness and that upset is just around the corner And Marianne Gabe and everyone they know Light or not will be swept up in the fight to right it The Light Trilogy contains adult content
