*The Hell Candidate* GRAHAM. MASTERTON, 2018-04-02 I opened my eyes I wasn't dreaming I was awake And right beside me Jennifer was panting and moaning and bouncing up and down on the bed I stared harder into the darkness chilled with fright and against the dim gray light that filtered in through the closely drawn drapes I saw an outline on top of Jennifer that made me cram my hand into my mouth to stop myself from screaming It was a huge bulky outline as dark as sin But its eyes glowed slanted and orange like the eyes of a wolf and on its head were two curved horns It stank of stale incense and animal sweat and it was grunting with grotesque delight When businessman Hunter Peal decided to run for President of the USA they said he didn't have a chance in Hell but they were wrong Initially he seemed pleasant and moderate but then everything started to change As his popularity grew so did his ability to influence people sending them weeping to their knees and seeing sights which no cameras could capture And what of his opponents and the strange accidents which befell them Indeed Hunter Peal was not the man he once was one of the denizens of Hell has made a pact with him and on his inauguration all Hell will be let loose Literally Telos Publishing is proud to present a superb new edition of this long out of print 1981 novel A horrific tale of lust and greed and power from one of the genre's greatest writers Graham Masterton If you like horror novels the kind that make you catch your breath at certain parts can change your perception of the temperature in the room and leave you with impressions that can't be unseen for days if ever then this is your book It really is an absolute masterpiece and in my opinion one of the weirdest most twisted horror tales ever told where the message Be
