The Plot Against Fidel:

Alleged Assassination Plots Involving Foreign Leaders United States. Congress. Senate. Select Committee to Study Governmental Operations with Respect to Intelligence Activities, 1975 **Alleged Assassination Plots Involving Foreign Leaders**, 1975 **Martyrs to the Unspeakable** Douglass, James W., 2025-10-29 **The Plot Against Fidel** Isaac Flores, 2005-06

The Plot Against Fidel is an insider's novel set during two periods of radical changes in the turbulent transformation of Cuban society ruthlessly crafted by the Fidel Castro revolution over more than four decades. It depicts actual historical events in the 1960s and again in the 1990s as two half brothers work in separate ways to enlighten the outside world about the suffering deprivation and torture taking place on that beautiful island nation. Edward Langley becomes the first resident American correspondent in Havana shortly after the Bay of Pigs and the October Missile Crisis. His brother Miguel Hidalgo is a Cuban born rancher who undergoes the hell of the Communist regime's political prisons and eventually becomes an underground guerrilla. The half brothers meet for the first time since boyhood during the early revolutionary days of the 1960s. They reunite again in the 1990s in Havana the American a semi retired writer on a nostalgia tourist trip the Cuban now a notorious counter revolutionary jefe known as the Falcon. Instead of convincing his brother to abandon his dangerous seemingly hopeless struggle against the powerful regime Edward convinces himself to join in Miguel's efforts to overthrow the government. Finally for once it appears that rebels have the perfect plan and the necessary support to assassinate Fidel Castro and change the course of Cuba's troubled history.

Watergate: The Hidden History Lamar Waldron, 2013-06-01

A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style. The New York Observer. While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive. Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks? What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate? What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes? For the first time the groundbreaking investigative research in Watergate: The Hidden History provides documented answers to all of those questions. It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein. This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions: What were the Watergate burglars after? And why was Nixon willing to risk his Presidency to get it? Watergate: The Hidden History reexamines the historical record including new material only available in recent years. This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved.

in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times Alleged Assassination Plots Involving Foreign Leaders United States.
