Dark Specter Michael Dibdin, 2009-09-23 In this majestically unnerving novel Michael Dibdin the creator of the acclaimed Aurelio Zen mysteries explores themes that might have been ripped out of today's headlines as he charts America's dual epidemic of religious cultism and random violence The murders take place in distant cities and with no apparent motive All that connects them is their cold blooded efficiency But a dogged Seattle detective and a horribly bereaved survivor are about to come face to face with their perpetrator a man named Los a self styled prophet who has the power to make his followers travel thousands of miles to kill for him Out of mayhem and revelation the minutiae of police work and the explosive contents of a psychotic mind Michael Dibdin orchestrates a tour de force of dread This should be read with the lights on and the doors firmly bolted
