Excerpt from *Stories Revived* Vol 2 of 3 In Three Volumes Raymond Benyon's love was happy in spite of grave presentiments in spite of the singularity of his mistress and the insufferable rudeness of her parents She was a tall fair girl with a beautiful cold eye and a smile of which the perfect sweetness proceeding from the lips was full of compensation she had auburn hair of a hue that could be qualified as nothing less than gorgeous and she seemed to move through life with a stately grace as she would have walked through an old-fashioned minuet Gentlemen connected with the navy have the advantage of seeing many types of women they are able to compare the ladies of New York with those of Valparaiso and those of Halifax with those of the Cape of Good Hope Raymond Benyon had had these opportunities and being fond of women he had learned his lesson he was in a position to appreciate Georgina Gressie's fine points She looked like a duchess I don't mean that in foreign ports Benyon had associated with duchesses and she took everything so seriously That was attering for the young man who was only a lieutenant detailed for duty at the Brooklyn navy yard without a penny in the world but his pay with a set of plain numerous seafaring God-fearing relations in New Hampshire a considerable appearance of talent a feverish disguised ambition and a slight impediment in his speech He was a spare tough young man his dark hair was straight and fine and his face a trifle pale smooth and carefully drawn He stammered a little blushing when he did so at long intervals I scarcely know how he appeared on shipboard About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state-of-the-art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
