

FOREWORD

When I discovered yoga, my life changed. The changes have been slow and subtle, but sometimes profound. From my very first yoga class, I knew it was for me. I remember coming out of the class feeling like I was walking on air with my head in the clouds! Gradually, over time, I started to feel more comfortable with, and in, my body. The tiggly aches and pains I used to feel have been replaced by a sense of wellbeing and my muscles are more relaxed, stronger and more flexible.

Eve became one of my favourite teachers. Watching her demonstrate a yoga pose with such grace is like watching a morning piece of art. You know you won't be able to reproduce it exactly, but with her gentle encouragement and faith in your ability you quite often surprise yourself.

The big turning point in my life came when Eve suggested I sign up for the yoga teaching training course. I had secretly dreamed of doing it, but convinced myself I wasn't quite up to scratch. As soon as I heard those encouraging words, I started to feel more confident about being good enough to take on the course. As it turned out, that year was the best of my life. I loved every minute of the course and learned a lot about myself — and my yoga improved out of sight.

Life is a journey and yoga has helped me confront that journey head on. It has been like a road map for me, gently giving me directions to the pathways I need to take. Yoga helped me make the inner connection with myself, allowing me to choose the smooth path instead of the rocky road.

It is a great honour for me to recommend Eve's book. I have collected many great yoga books over the years, but this one truly stands out as a gem. Eve's warm and caring nature shines through the pages. Her personable style draws you in immediately, keeping you hungry for more. Covering every aspect of yoga, *Teach Yourself Yoga* is easy to read and understand — so whether you're a complete beginner or someone who's travelled the yoga path for a while, you'll find it equally useful.

Teach Yourself Yoga will become an essential handbook to read and re-read for practical knowledge and inspiration.

Allen King

Product Editor, Family Circle, and yoga teacher

Nathibai Damodar Thackersey Women's University. Library,1961 *Surviving the Death of a Sibling* T.J. Wray,2003-05-27
When T J Wray lost her 43 year old brother her grief was deep and enduring and she soon discovered not fully acknowledged
Despite the longevity of adult sibling relationships surviving siblings are often made to feel as if their grief is somehow
unwarranted After all when an adult sibling dies he or she often leaves behind parents a spouse and even children all of
whom suffer a more socially recognized type of loss Based on the author s own experiences as well as those of many others
Surviving the Death of a Sibling helps adults who have lost a brother or sister to realize that they are not alone in their
struggle Just as important it teaches them to understand the unique stages of their grieving process offering practical and
prescriptive advice for dealing with each stage In *Surviving the Death of a Sibling* T J Wray discusses Searching for and
finding meaning in your sibling s passing Using a grief journal to record your emotions Choosing a grief partner to help you
through tough times Dealing with insensitive remarks made by others Warm and personal and a rich source of useful insights
and coping strategies *Surviving the Death of a Sibling* is a unique addition to the literature of bereavement
