

# Terrifying Ordeal

**British Ornithologists' Club**

## **Terrifying Ordeal:**

*Terrifying Ordeal* Paul Birtill,1998 A selection from *Terrifying Ordeal* was first published in 1996 as a pamphlet and reprinted in 1997 This full collection now replaces the pamphlet *A Selection of Poems from Terrifying Ordeal* Paul Birtill,1996

**Reading Acts** Barbara Ryan,Amy M. Thomas,2002 Drawing on such original sources as diaries commonplace books fan mail to authors booksellers reports and student papers the contributors to *Reading Acts* recover a wealth of important historical information that expands our understanding of reading in the United States during the nineteenth and early twentieth centuries The emphasis throughout is on the act of reading and the attendant proposition that reading acts upon those who read Covered in this volume are a wide range of fascinating topics including the cultural agency of women during the early national period readers criticisms of the critics in the 1830s readers relationships with beloved authors after the Second Industrial Revolution and attitudes toward single motherhood in the mid twentieth century as revealed in readers responses to a *True Confessions* magazine article Contributors from diverse fields and disciplines highlight the ways in which human diversity and often contrariness are reflected in reading habits and enthusiasms They show how a desire to read and a love of reading have impelled average Americans to voice their opinions defend their tastes and confront cultural arbiters whose dictates failed to match their lived experiences By focusing on documents left by readers deemed ordinary the essayists raise important questions that existing approaches and methodologies often obscure Their treatment of key variables in the act of reading such as gender institutional setting and class is consistently fresh provocative and illuminating

*How to Pleasurably Stop Smoking* Jim Andrews,2016-03-23 While you read we re going to get rid of your urge to smoke It wouldn t be hard to stop if you had no urge to smoke You re going to get to that point by the time you finish the book And you will learn how to maintain your disinterest in smoking So that it s permanent That s the program in a nutshell This approach turns stopping smoking from a torturous ordeal into a liberating experience of self discovery You won t need to bravely resist doing something you desperately want to do The amount of willpower is like what s required to resist jumping off a tall building We ll deal with your physical addiction to nicotine But we ll also dismantle your psychological dependence That a book can cure you of smoking is a testament to the transformative possibilities of reading and reflection It also highlights that addiction to smoking depends crucially on illusions that a book can effectively remove Your perspective on smoking and stopping smoking will change dramatically
